REGISTRATION ELIGIBILITY: In order for a Pennsylvania sire to be eligible to earn an award for his owner pursuant to Section 17.(b) (4) (P.L. 707, N301), said sire shall have been registered as a Pennsylvania Sire with the Pennsylvania Horse Breeders Association (PHBA) during the year when said sire covered the dams that, as a result of that cover, produced Pennsylvania-Breds. A Pennsylvania Sire is a Thoroughbred stallion that regularly stands in Pennsylvania and is registered with the PHBA. The term "owner" as used herein shall mean the owner of such sire at the time of cover of such dams. Should more than 50% of a stallion's ownership change after registration, or should a registered stallion standing in Pennsylvania be moved out of state to stand in another state or country and then be brought back to Pennsylvania to stand, a notarized letter detailing times of stallion's movement must be attached to this application and registration as a Pennsylvania Sire must again be re-established. Where, however, a stallion moves to the Southern Hemisphere breeding season and then returns for the subsequent Pennsylvania breeding season, no new application and registration is required. When Stallion Owner, SSN or EIN is changed, stallion must be re-registered and fee paid with a notarized copy of sales invoice or transfer/management contract for the stallion.
