How the PA-Bred Fund Works

Pennsylvania's Breeding Fund Program distributes more money, on a per foal basis,

than nearly every other state-bred program now in operation. Established in 1974, the

Pennsylvania Breeding Fund has grown from a disbursement of \$65,000 in its initial year of operation to over \$15 million annually.

The Pennsylvania Breeding Fund is financed by a percentage of pari-mutuel handle and slots revenues. It provides for individual award payments (breeder, owner and stallion awards), overnight races for PA-Breds, purse bonus supplements, and PA-Bred stakes races.
