Questions & Answers regarding the Pennsylvania Breeding Fund

Keeping it all together!

PHBA is responsible for all aspects of the administration, promotion and development of the Pennsylvania Breeding Fund, and maintenance of the official registry of PA-Bred race horses and Pennsylvania stallions. A not-for-profit organization, the PHBA represents and serves the dues-paying members in every aspect of Pennsylvania's Thoroughbred breeding industry.

Breeding has its privileges

PA-Breds have preferred starter status in all overnight races at Parx, Penn National and Presque Isle, with the exception of certain races whereby specific conditions outline additional preferences, such as certain turf races and starter handicaps. In these races, PA-Bred preference is general to the sub-groups of entrants.

Lucrative stakes races restricted to PA-Breds are regularly offered throughout the year at Parx, Penn National and Presque Isle.

Questions and answers regarding the fund

Here are some frequently asked questions regarding Pennsylvania's Breeding Fund Program. For additional information, contact the Pennsylvania Horse Breeders Association.

Q How does a horse become eligible to participate in this program?

A A Thoroughbred foal born in the State of Pennsylvania and registered as such with the Jockey Club is eligible for Pennsylvania-Bred registration with the PHBA if one of the following conditions is met:

For foals of 2017 and thereafter, the dam of the foal resided continuously in Pennsylvania since November 1 of the year of conception through foaling.

The dam of the foal was purchased at a public sale after November 1 of the year of conception and brought into Pennsylvania within 14 days of the date of purchase and remained continuously through foaling. During the year of foaling, the foal or its dam spent at least ninety (90) days in the state.

The dam of the foal arrived after November 1 of the year of conception, foaled in Pennsylvania and was bred back to a registered PA stallion standing in Pennsylvania and the dam of the foal resided 90 consecutive days during the year of foaling.

Q Does the location of the sire affect a horse's status as a registered PA-Bred?

A Unlike some states, Pennsylvania has no 'breed-back' requirement or similar rule relating to a covering stallion. However, PA-Breds sired by registered Pennsylvania stallions earn significantly larger awards for their breeders.

Q What is the procedure for registering a PA-Bred?

A Reference www.pabred.com for forms or contact the PHBA. Fill out the form completely and accurately, including the signature of the breeder of record. Return the form, along with the required W-9 form, copy of the Jockey Club certificate and correct fee to the PHBA. That's all there is to it! The registration will remain in effect for the rest of the horse's life.

Q How much does PA-Bred registration cost?

A PHBA members pay \$50 for applications postmarked within 365 days of the foaling date; \$100 for applications postmarked by December 31 of the yearling year. Fees for non-PHBA members are \$125 and \$250 respectively. Registration applications beyond December 31 of the yearling year are considered Late Applications for Registration. Please note there is a late, nonrefundable \$500 registration fee with a mandatory 10 day waiting period prior to entry.

Q How are the breeder awards calculated?

A The breeder of a registered PA-Bred receives an award whenever that PA-Bred finishes first, second or third in any pari-mutuel race in the state. For PA-Breds sired by registered Pennsylvania stallions, the award (PA-Sired breeder award) amounts to 40 percent of the purse earned plus any PA-Bred owner's bonus. For those sired by out-of-state stallions, the award (non-PA-Sired breeder award) is 20 percent.

Q

What about the owner bonus program?

A

The Pennsylvania-Bred owner bonus program rewards the owners of PA-Breds finishing first, second or third in designated overnight races at Parx, Penn National and Presque Isle. Bonuses are a designated percentage of purse shares and are considered part of a horse's official earnings. Bonuses are deposited directly into owners' accounts when purses are released. The sum of the bonus and the original purse share provides the basis for breeder and stallion awards earned

Q

Do Pennsylvania-based stallions earn awards also?

A

Yes! When a registered PA-Bred, by a registered Pennsylvania stallion, finishes first, second or third in any pari-mutual race in the state, an amount equal to 10 percent of the purse share plus any PA-Bred owner's bonus (stallion award is paid to the stallion owner or assigned designee).

Q

What is the definition of a 'registered Pennsylvania stallion'?

A

A registered Pennsylvania stallion is a Thoroughbred stallion who stands regularly in Pennsylvania and is registered as such with the PHBA.

Q

How does one register a Pennsylvania stallion?

A

PHBA provides applications which should be completed by the stallion's owner and returned to the PHBA along with the \$500 registration fee by February 15 of the breeding season or before he breeds his first mare, or \$1,000 paid by December 31 of that year, and a required W-9.

Q

Is the stallion then registered for life, or must this process be repeated annually?

A

Unless major changes occur, registration takes effect at the beginning of the breeding season of the year in which the stallion was registered and remains valid for life. Re-registration is necessary only if:

1. The stallion leaves Pennsylvania to stand in another state, excluding the Southern Hemisphere, and subsequently returns, or
2. More than 50 percent of his ownership changes

Q

If a stallion is relocated from Pennsylvania to stand elsewhere, are awards still paid?

A

Yes – A stallion owner or designee will be paid awards earned by any registered PA-Breds conceived during the stallion's effective term of registration.

Q

How and when are awards paid?

A

Breeder and stallion awards are processed monthly by the PHBA. Recipients are notified of their pending award, usually within 30 days after the end of the month in which it was earned; payment should be received within another 60 days. PA-Bred owner bonuses are paid at the time of purse release and are deposited directly into owners' accounts at the particular track.

Q

When ownership of a PA-Bred or a Pennsylvania sire changes, who receives the awards?

A

The breeder of records remains the same no matter who subsequently owns the horse; thus, the breeder continues to receive any applicable breeder awards. PA-Bred owner bonuses are paid to the horse's licensed owner at the time the bonus was earned. A stallion owner receives awards earned by eligible PA-Breds conceived during his tenure as owner and continues to do so if the stallion is sold, even if the stallion is no longer at stud in Pennsylvania.

Q

Can out-of-state residents participate in the Pennsylvania breeding program?

A

Yes – There are no residency requirements for owners and/or breeders.

PA Bred: Unique Bella A Starlet

By Emily Shields

Unique Bella has turned heads from her beginnings as a foal at Brushwood Farm in Halifax, and now serves notice as the prohibitive favorite for the Kentucky Oaks (G1). The flashy gray filly has been so commanding in her four victories that many believe she should take on the colts in the Kentucky Derby (G1) instead of staying against her own gender.

Two more months will tick past before that decision must be made. Unique Bella is Triple Crown nominated, but is also more likely to stay against other fillies on the wishes of her trainer, Jerry Hollendorfer. In contrast, however, stablemate and fellow standout filly Songbird was never nominated to face the boys in the Run for the Roses, and Hollendorfer's assistant trainer Dan Ward noted that there is physically no comparison between the two at the same point in their careers.

"Unique Bella is bigger and stronger, much more like a colt," he said.

That's not to take anything away from Songbird, a two-time Eclipse Award winner and nearly two-time Breeders' Cup winner. The daughter of

Medaglia d'Oro has won 11 of 12 starts, including the 14 Hands Winery Breeders' Cup Juvenile Fillies (G1) in 2015, then missed by a nose in the Longines Breeders' Cup Distaff (G1) last year. She has earned \$3,712,000 through 2016, and is gearing up for a 2017 campaign.

While Songbird won three of her grade 1 races as a juvenile, Unique Bella didn't even break her maiden until November. She was always oversized, even as a foal, said Brushwood's manager, Riley McDonald. "She was a nice big foal, and was always quite pretty all the way through the time she was sold as a yearling," he said.

During the 2015 Keeneland September Yearling Sale, Unique Bella brought a final bid of \$400,000 from Liliana Solari and Carlos Heller's Don Alberto Corp. "I was always puzzled as to why she didn't light more people up," McDonald mused. "She's a big, rangy, two-turn filly with a huge shoulder, great length, and strong hip. She actually looked like a huge bargain then when the Don Alberto people bought her, but she's a much bigger bargain now."

Unique Bella sports a royal pedigree, being by Tapit and out of Breeders' Cup Ladies Classic (G1) winner Unrivaled Belle. The \$1,854,706-earner was purchased by Brushwood for \$2.8 million in 2011 and bred to Medaglia d'Oro the next year. While in the sales ring, Unrivaled Belle acted up so badly she had to be led away as the bidding continued on without her. Her retirement was necessitated when she flipped in the paddock at Belmont Park prior to a race and broke her withers. Unique Bella has made training difficult by inheriting her mother's antics.

"Not only are the Tapits high strung," Ward explained, "but her mother was, too. Unique Bella is settling down now, but that's with

schooling her seven days a week. It takes work, but she's getting better and better. She's a sweetheart in the stall, but she can be upset by things happening outside, like if people pick up and drag a garbage can. But if she gets stirred up, I just go in there with her and she settles right down really nicely."

After impressing clockers in the morning, Unique

Bella was a heavy favorite for her debut, June 23 at Santa Anita. She broke slowly, was forced wide, and eventually settled for second behind 9-1 upsetter Chalon. She did not resurface until November at Del Mar, and put on a procession, running away to win by 10¼ lengths in a 6½ furlong maiden contest. The ease and brilliance with which Unique Bella broke her maiden placed her squarely on the top of many Oaks watch lists.

Pennsylvania-bred Unique Bella surprisingly did not go favored in her sophomore debut, the \$200,000 Santa Ynez Stakes (G2) at Santa Anita in January. That honor went to Shane's Girlfriend, runaway winner of the \$400,000 Delta Downs Princess (G3) by 13¼ lengths. Unique Bella effortlessly cruised past that rival and crushed the field once again, winning the seven-furlong race by 7½ lengths under Mike Smith.

Only four fillies would try the \$196,000 Las Virgenes Stakes (G2) on February 5, but few wanted to try Unique Bella and one of her rivals was

Buttonwood experiment pays off for Moorheads

By Linda Dougherty

Talk about beginner's luck. Rod and Alice Moorhead of Unionville, Pa., have tasted stakes success with their first homebreds to hit the racetrack, an accomplishment that can typically take breeders years to achieve similar results.

Thanks to the breeding and training guidance and expertise of their longtime friend, neighbor and Hall of Fame member Jonathan Sheppard, the Moorheads began their journey into the sport with a foundation of well-bred mares in foal to top stallions, with the result being two juveniles that collected a PA-Bred stakes double in 2016.

The Moorheads' Rose Tree, a daughter of Harlan's Holiday—Amusing, by Distorted Humor, captured the \$100,000 Blue Mountain Juvenile Fillies Stakes at Penn National Nov. 23 after having broken her maiden in her debut at Delaware Park Oct. 15. Downhill Racer, a son of Pennsylvania's leading sire Jump Start out of Encore Saritta, by Consolidator, won the \$100,000 Pennsylvania Nursery Stakes at Parx Racing Dec. 3 after breaking his maiden the day before Rose Tree at Penn National. According to the record books, no other owner/trainer combination had ever won both the Blue Mountain Juvenile and Pennsylvania Nursery in the same season.

In addition, another homebred, Button My Button, a year-older half-sister, by Colonel John, to Downhill Racer, broke her maiden in PA-Bred special weight company at Presque Isle Downs Sept. 27 over the Tapeta surface. That day, she hit the gate at the start, but recovered nicely to defeat seven rivals by nearly 6 lengths and came back to win an allowance at Penn National Dec. 7.

"Button My Button started it all," said Moorhead, a Harvard Business School graduate who was managing director of the private New York equity firm Warburg Pincus. "She was our experiment."

The Moorheads' Buttonwood Farm near Unionville had been home to Sheppard's breeding operation, as it was right next door to his Ashwell Farm. But at first, they didn't think they'd venture into that aspect of the sport.

"We knew Jonathan very well," said Moorhead. "My wife is the first cousin of Jonathan's first wife, Penny Lofting Sheppard. Although I wasn't all that interested in getting involved, I was born in Louisville and had always been intrigued by racing."

The Moorheads had been avid fox hunters, with Rod working during the week in New York and then coming home on the weekends to enjoy time on horseback, riding across the Chester County countryside. But an injury he sustained changed the direction of the couple's equine pursuits.

"I suffered a severe injury five years ago from a fox hunting accident," said Moorhead. "I was tired and another horse came up on the second to last fence and spooked my horse. I went off and hit the ground, which was as hard as cement. I broke my back in two places and had to have a rod inserted. My wife didn't want me to ride again."

With Sheppard's assistance, the couple became owners of a steeplechase horse, All the Way Jose, whom Sheppard had bred and trained for them.

"We had great fun with All the Way Jose, who was the Novice Champion on the steeplechase circuit," said Moorhead. "And then we also thought we'd like to get a broodmare and give Thoroughbred breeding a try."

"Rod and Alice liked seeing my mares and playing with the foals and decided they wanted a mare of their own," said Sheppard. "I

Breeders' Cup champion and 2016 Eclipse Champion Two Year Old Filly Champagne Room, making her 2017 debut. Both the competition and the one mile distance – Unique Bella's first try around two turns – were cause for concern, but Smith had his charge leading by five lengths at the top of the stretch, and they went on to score by 8¾, with Champagne Room back third.

Her march continued in the \$100,000 Santa Ysabel Stakes (G3) on March 4, a race that drew seven runners but was reduced to a field of six with the scratch of Noted and Quoted. Unique Bella broke slowly from the rail, bulled her way between horses to take the lead, and had a few tense moments in the stretch as grade 1 winner Abel Tasman threatened, but ultimately drew away to win. Jockey Smith admitted after the race, "I was extremely anxious," but added that Unique Bella's "extreme, superior talent" sets her apart from the competition.

Now a dual grade 2 winner, Unique Bella has four wins in five starts for earnings of \$342,400. She makes Brushwood Stable proud every time she goes to the track. "It's always great to see horses you had

something to do with perform at the highest levels," McDonald said. "It's great to even win a race with a horse you've bred or raced, but to have a filly that's become this good? Fingers crossed she can go on and win the Oaks."

Betty Moran's Brushwood has since sold Unrivaled Belle, who topped the 2016 Keeneland November Sale with a bid of \$3.8 million from Mandy Pope. The Don Alberto Corp. were the immediate underbidders, hoping to obtain more members of the family. Unrivaled Belle, who produced a Malibu Moon filly in 2015, was once again in foal to Tapit, and will visit that stallion for the third time in 2017.

"It was a business decision," McDonald said of selling Unrivaled Belle. "She was the highest priced horse sold in America last year."

Although he is excited about Unique Bella's prospects this spring, McDonald is too wise a horseman not to temper his enthusiasm. "I always say, one race at a time," he cautioned. "But I'd like to see what comes beyond the Kentucky Oaks."

MOORHEADS continued from page 8

bought Encore Saritta for them for \$30,000 at the Keeneland January (2013) sale; she was in foal to Colonel John and foaled shortly after we brought her back to Pennsylvania. Then the next year they wanted a few more, so we went back to the Keeneland January sale and spent \$705,000 for three mares. They were by good sires and were in foal to good stallions. One of them was Amusing, in foal to Harlan's Holiday (who eventually had a filly named Rose Tree)."

Alice Moorhead named Rose Tree in honor of her father, James R. Kerr, who was the Master of Foxhounds of the Rose Tree Hunt, and later of the Cheshire Hunt.

The two other mares Sheppard bought with Amusing (who cost \$280,000) were the Unbridled's Song mare Sanibel Star (for \$155,000 in foal to City Zip) and Silk and Satin (by Storm Cat, whom Sheppard trained, for \$270,000). Sanibel Star foaled a colt named Junonia (now 3), and has a 2-year-old by First Samurai named Samurai Star. Silk and Satin, bought in foal to Quality Road, had a colt named Royal Attire (now 3) and has a yearling filly by More Than Ready named China Silk.

Junonia, who has yet to start, has needed some time to grow, while Royal Attire is also unraced.

Amusing has a 2-year-old colt by Animal Kingdom named Magical Kingdom, as well as a yearling colt by Hard Spun named What a

Laugh. Encore Saritta has a yearling filly by Munnings named Lady Munnings, and a 2-year-old full brother to Button My Button named Colonel Moorhead.

To accommodate their growing family of homebreds, the Moor-

heads bought a 115-acre farm across the road from Buttonwood, and the two farms combined now span 300 acres. Because a "Buttonwood" tree is another name for a Sycamore, explained Rod Moorhead, the second farm was named "Sycamore."

"Jonathan was very encouraging when we told him we'd like to get into breeding," said Moorhead. "The horses are broken on his farm [Ashwell]; I would go over almost every day and talk with him and watch them train. He pays attention

to the fact that they can earn the PA-Bred bonus, and he is constantly looking for races in the state for them. It was quite exciting to see Rose Tree and Downhill Racer both win stakes, and after Rose Tree won the Blue Mountain Juvenile, we got offers to buy her, but we decided not to sell."

All three of the Moorheads' homebreds were given the winter off and started back training at the end of January. With another new crop ready to make their racing debuts, the couple is hoping that their beginner's luck can continue into 2017. ■

A Letter From the Executive Secretary

What a great start for PA-Breds in 2017, with five graded-stakes wins! Congratulations to the connections of these fine horses who are making a name for PA-Breds all over the country! Keep your eye on Unique Bella, who became the first PA-Bred to win multiple graded stakes this year – this 3-year-old star filly was bred by Brushwood Stable, and is owned by Don Alberto Stable.

It's never been a better time to breed in Pennsylvania! Effective this year, the PA-Bred Program introduced 40% PA-Sired Breeder Awards for all races run in Pennsylvania, 1st through 3rd with no cap on earnings. In addition to increased Breeder Awards, the PA-Bred Program continues to be among the best in the country with over \$30 million paid in PA-Bred Awards, Purses, and Bonuses, plus over 400 restricted races just for PA-Breds.

Our annual stallion auction was a resounding success. The mares are being booked and we wish them all the best of luck! Thank you to all who participated. If you haven't taken advantage of the great deals, don't miss next year's auction. Proceeds benefit our Political Action Committee.

It's annual membership time again. Please consider donating a few dollars to our PAC account, which allows us to best represent you in Harrisburg. Thank you to those who have donated so far this year and in years past.

PA Stallion News Briefs

UNCLE LINO NEW TO NORTHVIEW PA

Pennsylvania is the first state in the region to have a son of red-hot young sire Uncle Mo standing at stud now that Northview PA has added track record-setting, Grade 1-placed Uncle Lino to its Peach Bottom, Pa., roster. The elegant bay's stud fee is \$4,000 live foal and lifetime breeding rights are being offered.

"Northview has been looking extremely hard for a son of Uncle Mo," said Northview president and CEO Richard Golden. "Uncle Lino has checked all of our boxes. We are very excited to be able to offer Uncle Lino to our breeders for 2017."

Uncle Lino retires with six wins or placings in eight starts for earnings of \$316,160. He ran six times from January through May 2016, and set a track record in winning the California Chrome Stakes at Los Alamitos in April. Leading at every call, he completed the 1 1/16-mile distance in 1:40.82, breaking the previous mark set by Dortmund. He finished second earlier in the year to Mor Spirit in the Robert B. Lewis Stakes-G3 and was third in the Grade 1 Santa Anita Derby to Exaggerator and Mor Spirit.

He displayed his speed right out of the gate in his two starts at 2, missing by a neck in his debut at Del

Mar after battling for the lead the entire 5 furlongs, and winning second time out, also at Del Mar, drawing off to win by 2 3/4 lengths while setting fractions of :22.02, :45.08 and 1:09.58 and stopping the clock in 1:16.28 for 6 1/2 furlongs.

One of nearly two dozen stakes winners in the first crop of Uncle Mo, the third-ranked stallion in the nation in 2016 with progeny earnings of \$12.3 million with just two crops to race, Uncle Lino is out of the Orientate mare Haysee, a full sister to Alabama Stakes-G1 winner Lady Joanne and half-sister to classic winner Shackleford (\$3,090,101, Preakness S-G1, Metropolitan H-G1, Clark H-G1, etc.), graded winners Baghdaria and Afleeting Lady and stakes-winning, graded stakes-placed Stephanoatsee. Shackleford ranked in the top-10 among sires on the nation's freshman sires list in 2016, and tied for second by number of winners, which included graded winner Wellabled. ■

FIRST WINNER FOR WILDCAT BRIEF

Wildcat Brief got his first winner from his first crop Jan. 9 at Parx Racing when Bubba's Will earned the victory after being banged around in the stretch in a maiden race. The 3-year-old colt, racing for V and R Stable and trained by Phil Aristone, was bred in New Jersey by Ross Restuccio out of the stakes-placed mare Out of the Will (by Will's Way), an earner of \$224,090.

Owner Frank Vento has stood Wildcat Brief at Foxfield Farm in Oxford, Pa., since 2015. The son of Forest Wildcat, a stakes-winning Grade 1-placed sprinter, retired to stud at Walnford Stud in Allentown, N.J., in 2013 and covered small books his first two seasons. He has five 3-year-olds and one 2-year-old.

Wildcat Brief won six races and \$340,570 from 27 starts. A winner of Monmouth Park's Icecapade Stakes, he counted the Grade 1 Vosburgh among his four stakes-placings.

Out of the winning Grindstone mare Grisham, a half-sister to stakes winners Queen's Gray Bee (\$416,565, Remington Park Derby, etc.), Melrose Avenue (Queen's Vase S-G3, etc., in England) and Dysham, he descends from the influential *Beaver Street and is from the family of champions Sakhee's Secret and Permessio, millionaire Arson Squad and Grade 1 winners Ermine, Royal and Regal and Kentucky Oaks winner Native Street. ■

NEW START RECIPIENT OF EQUINE CHARITY SWEEPSTAKES DONATION

New Start, the Pennsylvania Horsemen's Benevolence and Protective Association (PA HBPA) retired racehorse re-homing program, was named grand prize winner in the Zoetis Equine Charity Sweepstakes. The equine charity in Grantville, Pa., received a \$5,000 cash donation from Zoetis on behalf of the nominating veterinarian, Dr. David Marshall. Dr. Marshall nominated New Start while attending the 2016 American Association of Equine Practitioners (AAEP) Annual Convention. He practices veterinary medicine at Penn National Race Course.

"This is the first sweepstakes I've ever won – it's a wonderful contest to win because I can pass on the value to an organization in need and help support the equine industry," said Dr. Marshall. "My responsibility at the racetrack, in part, is

to secure the health and welfare of the horses that race here. While the career of a racehorse is limited, racehorses have many valuable years to give following their time at the track. That's why I nominated New Start, they help provide temporary

racers, eventers, polo mounts, pleasure horses and more.

"We are so appreciative of the support Zoetis has provided and the opportunity to utilize these funds to help more horses find second careers," said Lauren Zagnit, New Start's program coordinator.

"Zoetis is committed to working together with veterinarians, horse owners and equine professionals to help improve health and wellness for all horses," said Sally Amt-

mann, senior equine marketing manager, Zoetis. "We are pleased to extend our industry support to provide New Start with resources to assist in managing the horses in their care."

New Start has helped re-home more than 350 former racehorses over the past three years. The program focuses on placing horses where they will succeed in second careers as show horses, barrel

Blasts From The Past

WILLY WANK

1978, by Leematt—Martyinhast, by Hi-Hasty. Bred by Andrew H. Mukina; owned by Anita Czech; trained by Andrew H. Mukina.

Willy Wank secured a place in the hearts of longtime Pennsylvania racing fans by the time he retired in 1988 as the all-time leader by number of stakes wins (with nine) at Keystone Racetrack (now Parx Racing).

Bred and raised by his trainer Andrew Mukina, at Mukina's farm near Erie, Pa., the gallant gelding campaigned for eight seasons, amassing a total of 86 starts, 18 wins, 14 seconds and 11 thirds, for earnings of \$300,261.

During a stretch from September 1983 to March 1984, the chestnut son of PA sire Leematt made 10 starts and won five, including the Iroquois, Bensalem, Garrison and General Charles B. Lyman Handicaps, the latter while toting 130 pounds. He repeated in the 1984 Iroquois and also won the Minuteman, Neshaminy, Hessian and Bedminster Handicaps during his career.

While the majority of his starts came over the Philadelphia oval, Willy Wank made a number of trips out of state, winning at Aqueduct and Thistle-down, at the latter setting a track record for a mile and 40 yards in 1:38.80.

Willy Wank was the first foal, and only stakes winner, for his dam Martyinhast, a South Dakota-bred stakes winner. ■

PA STALLION DIRECTORY & BOARDING FARM DIRECTORY NOW AVAILABLE

The fifth edition of the Pennsylvania Stallion Directory, featuring photos and statistics on Pennsylvania stallions as well as a directory of farms offering boarding and foaling of mares, is available online as well as at the offices of the PHBA.

The directory is a great resource for planning 2017 matings and making foaling arrangements. Opportunities for PA-Breds remain as strong as ever with more than \$30 million paid annually in PA-Bred awards, purses and bonuses at the three tracks across the state. Those tracks offer 450 days of racing, with 400 races restricted to PA-Breds!

More than half of Pennsylvania's annual foal crop are by Pennsylvania stallions, and are thus eligible to earn Breeder Awards worth 40 percent of the purse in all Pennsylvania races through third place.

To get a copy of the directory, contact the PHBA office (610) 444-1050 or download at <http://pabred.com>. ★
