Diamond B roster gains nationwide attention

by Linda Dougherty

When British Idiom captured the Grade 1, \$2 million Breeders' Cup Juvenile Fillies after an exciting stretch drive at Santa Anita Nov. 1, she gave the Pennsylvania stallion corps an extremely big boost.

The Breeders' Cup victory was a feather in the cap of young sire Flashback (below right), who stands at Glenn and Becky Brok's Diamond B Farm in Mohrsville. It was also the second Grade 1 stakes that British Idiom (top left) won this year, having annexed the Darley Alcibiades Stakes at Keeneland in October before triumphing in the Breeders' Cup, and no doubt sealing champion 2-year-old filly honors.

No other stallion in the Mid-Atlantic region sired either a Grade 1 or Breeders' Cup winner in 2019.

Flashback, a nearly white son of Tapit out of the Mr. Greeley mare Rhumb Line, was an outstanding racehorse, and has passed his talent

down to his runners. Campaigned by Gary and Mary West, he showed promise early for trainer Bob Baffert, winning his debut as a 2-year-old at Hollywood Park, followed by a victory in the Grade 2 Robert B. Lewis Stakes at Santa Anita at 3. Also at 3, he was second as the favorite in the Grade 1 Santa Anita Derby, as well as the Grade 2 San Felipe Stakes, and placed in two stakes at 4. Overall, he amassed \$635,730.

After standing several seasons in Kentucky, the Wests decided to move Flashback to Diamond B for the 2019 season.

"We were very lucky to bring him to Pennsylvania," said Glenn Brok, during Diamond B's annual stallion Open House Nov. 23. "After British Idiom won the Breeders' Cup, we were a little

afraid we would lose him back to Kentucky, but we're really happy that the Wests are going to leave him here for 2020 to help support Pennsylvania racing and breeding."

British Idiom was purchased for \$40,000 as a yearling at the Fasig-Tipton Kentucky October sale by agent Liz Crow for partners Michael Dubb, The Elkstone Group, Madaket Stables, and Bethlehem Stables.

The filly ended the year with a perfect record of three starts, three wins, and \$1,381,250 in earnings, which helped propel Flashback into the top 10 of second-crop sires in North America. Flashback had progeny earnings of \$2,645,811 for the year, which also ranked him as the fourth-leading sire in Pennsylvania and seventh in the Mid-Atlantic region.

"The good news is we're not raising his stud fee for 2020," Brok told the crowd in attendance, who kept warm on a brisk afternoon by sampling hot homemade food inside Diamond B's expansive new indoor arena. Flashback's 2020 fee is \$3,500, live foal, with special consideration to mares foaling in Pennsylvania.

Diamond B's stallion roster also features some outstanding sires that give breeders plenty of bang for their buck.

Uptowncharlybrown has been extremely popular with mare owners the last few years, thanks to the exploits of his progeny, which

have pushed up his average earnings per starter to nearly \$88,000 and his AEI/CI to 2.12/0.77.

In 2019 Uptowncharlybrown was represented by the stakes-winning full brothers Midtowncharlybrown (top right) (\$489,048) and Midnightcharly (\$349,808), as well as stakes-placed Wait for It (\$265,918) and 2-year-old Lula's Roadrunner (\$81,560). The year before Dixie Serenade (\$296,750) became Uptowncharlybrown's first graded stakes winner when she triumphed in the Grade 3 Victory Ride Stakes at Belmont Park.

The son of Limehouse's stud fee was increased in 2020 to \$7,500 live foal, or \$5,000 to mares foaling in Pennsylvania.

"Charly' bred 73 mares [in 2019], which was up from 49 in 2018," said Joerg Hoffmann, vice president of Uptowncharlybrown Stud LLC, which owns the stallion. He pointed out that Uptowncharlybrown's progeny are precocious and that he has a lifetime 2-year-old winning percentage of 30 percent. Most impressively, his lifetime winning percentage of winners from foals is 50 percent, with 19 of his 27 starters finding the winner's circle, according to Equine-line statistics.

Of Uptowncharlybrown's 19 winners, six of them have earned in excess of \$100,000, and four have surpassed \$200,000.

"If I can win with the Uptowncharlybrowns, anyone can," deadpanned trainer Ed Coletti Jr., who conditions the Uptowncharlybrown Stud LLC horses. "They all have great temperaments on the racetrack, and they're very straightforward to train."

Another Diamond B stallion who has been the source of precocious and durable progeny is Talent Search, a Grade 1-caliber performer who won or placed in 13 of his 15 starts, including the Grade 1 Breeders' Cup Sprint.

Talent Search has lifetime average earnings per starter of more than \$55,000, and in 2019, 69 percent of his runners won, a great return on investment from his \$2,500 live foal stud fee.

According to EquineLine, Talent Search has 76 percent starters from foals, and 57 percent winners from starters lifetime. Eighteen sons or daughters have earned in excess of \$100,000.

Beyond the racetrack, sons and daughters of Talent Search are valued for their adaptability to other careers. For example, Search for Jazz competed successfully at the 2018 Thoroughbred Makeover presented by the Retired Racehorse Project at the Kentucky Horse Park, and is now a lead pony for Paul and Sarah Sharp Training Center in Ocala.

Also standing at Diamond B is the classic-placed and track record setter Social Inclusion, whose first foals will be 2-year-olds in 2020.

A son of Pioneerof the Nile, who sired Triple Crown winner American Pharoah, Social Inclusion set a track record for a mile and a sixteenth at Gulfstream Park, defeating the likes of Honor Code by 10 lengths. He was also third in the Grade 1 Preakness Stakes behind California Chrome, as well as the Grade 1 Wood Memorial and the Grade 2 Woody Stephens Stakes. His stud fee is \$5,000 live foal.

"His first yearlings sold this year and they were absolutely gorgeous," said Brok. "We were

lucky enough to bring him here to Pennsylvania, as he really has some notches in his gun belt."

Among Social Inclusion's sales yearlings was a filly out of the stakes-producing dam Naughty Matilda who sold for \$125,000 at the Fasig-Tipton Kentucky July sale to East Hickman Bloodstock.

The first foals of Eastwood, an \$800,000 yearling and graded stakes-placed son of Speightstown, will arrive in 2020. Sons of Speightstown are doing well at stud, as evidenced by Munnings, Speightster and Central Banker.

Eastwood, a chestnut out of the Deputy Minister mare Fifth Avenue Ball, stands for \$2,500 live foal.

As this month's PA Thoroughbred Report was going to press came the announcement that the young Distorted Humor stallion Boisterous, one of the leading stallions in California, is joining the Diamond B roster. See page 11 of this issue to read more about him.

In addition to standing stallions, Diamond B Farm also offers foaling, sales preparation and placement advice, as well as layups and rehabilitation. Contact Glenn Brok at 610-659-2415 for more information. ■

Xixixi offers big pedigree to breeders

by Emily Shields

There are few stallions in the stud book with a pedigree as royal as the one Xixixi sports. Fewer still are outside Kentucky, but Xixixi is standing at Barbara Rickline's Xanthus Farm in Gettysburg.

Owner Kirk Sheehan was looking for future broodmares when he stumbled upon Xixixi, a son of Maimonides and the Yankee Gentleman mare Littleprincessemma. Xixixi is her first foal, while the second is none other than American Pharoah.

At the time, the future Triple Crown winner was the 2014 Eclipse Champion Two Year Old Colt, but had not yet won a Grade 1 at 3. On April 3, 2015, Sheehan claimed Xixixi for \$5,000. Then he sat back, and waited.

"I was sitting at work at lunch time when I saw him entered," Sheehan recalled. "I didn't care what he looked like, but I went to see him

and he's drop-dead gorgeous. Amazingly we were the only ones to claim him, and I was in seventh heaven. He's super looking with an outstanding personality, and ran second."

Eight days later, American Pharoah won the Arkansas Derby-G1 by eight lengths. "I was very heightened on watching what he did," Sheehan said. "Through the Triple Crown I was a nervous wreck."

After a gut-wrenching Kentucky Derby and a torrential Preakness, American Pharoah steamrolled through the Belmont Stakes to become the first horse to win the Triple Crown in 37 years. He later added both the Haskell

Invitational-G1 and Breeders' Cup Classic-G1, becoming the first horse to complete racing's Grand Slam. During the same season, Xixixi ran four more times for Sheehan, finishing sixth in the Mr. Prospector Stakes at Monmouth Park before retirement.

"I couldn't run him where he could win, because people knew of him," Sheehan explained. "I was getting calls from people to buy him, but it was mostly foreign countries that wanted to stand him."

Xixixi and American Pharoah nearly crossed paths only once, when the older brother was stabled at Pimlico and the younger shipped in for the Preakness. Both horses were retired by the end of 2015; American Pharoah has gone on to be the nation's leading freshman sires

of 2019. Keeping with the tradition of excellence in the family, Littleprincessemma subsequently produced Grade 1 winner Chasing Yesterday, Grade 1-placed American Cleopatra, and Grade 3-placed St Patrick's Day from her next three foals.

Future Hall of Famer American Pharoah is not the only top connection to Xixixi, who also has a strong pedigree on his sire's side. Sire Maimonides was a \$4.6-million Keeneland September Yearling purchase in 2006, and won a maiden race at Saratoga by 11½ lengths. He added a Grade 1-placing in the prestigious Hopeful Stakes in his second and final career start. Maimonides's sire Vindication (by Seattle Slew), was unbeaten in four starts, including the 2002 Breeders' Cup Juvenile-G1 en route to being named the Eclipse Award Champion Two Year Old Colt of 2002. His dam, Silvery Swan, produced Grade 1 winners Roman

Ruler and El Corredor. They both went on to be successful sires themselves; Roman Ruler sired 2011 Belmont Stakes-G1 winner Ruler On Ice.

With all that pedigree behind him, anything else would be icing on the proverbial cake, but Xixixi also has an outstanding physical and fantastic temperament. "He's really well put together," said Rickline. "He's stocky, and not real tall, but he seems to put a body on the foals. He's big bodied himself, and had two-year-old ability."

She suspects he was originally overlooked as a stallion prospect due to his height at 15.3 hands, but likened him to a Quarter Horse in looks, and the foals have been strong. "He doesn't seem to throw the small part. They are big-boned, kind to be around, and correct. He seems to be passing on only the good stuff."

Sheehan has been happy with Rickline's operation. "I tried to find someone local in Maryland or Pennsylvania, and someone suggested Barb. She came and looked at him and fell in love with him. The best thing about him is his mind; he's like a big puppy dog. He'll do anything for a mint. If he sees me reach into my pocket he goes nuts."

Rickline and Sheehan are now anxiously awaiting the first crop from Xixixi to hit the track running. From two to race so far, both have earned money, with Grace and Pride scoring by 1¾ lengths at Parx Sept. 29 to become his first winner.

"I think they're going to be okay, because they all look the part," Rickline said. "No one really wants to sell them. The people who have Xixixi babies all like them, so it's not like you can just go buy them."

Rickline herself has two Xixixis on the farm that have not yet been broken. Sheehan has been working on collecting mares to breed to his young stallion.

To visit Xanthus Farm and inspect Xixixi, contact Rickline at 717-487-2206. The farm offers seasonal and year-round boarding at reasonable rates, and has room for new clients. ■

POSEIDON'S WARRIOR MOVES TO EQUISTAR

Rodney Eckenrode will stand Grade 1-winning sprinter and Grade 1 sire Poseidon's Warrior at Equistar Farm in Annville, Pa., for 2020. A son of sprint champion Speightstown, Poseidon's Warrior previously stood in Florida and Kentucky. The dark bay stallion, now 12, is offered for \$5,000 live foal, payable when the foal stands and nurses.

Poseidon's Warrior entered stud after a racing career in which he was a stakes winner each of the three years he competed. His 11 stakes wins or placings in 21 starts were topped by the six-furlong Saratoga's Alfred G. Vanderbilt-G1, in which he defeated the likes of Shackelford, Justin Phillip and Jersey Town while completing the distance in 1:09.40. Six of his seven wins were at 6 furlongs (he broke his maiden in his 2-year-old debut going four and half furlongs) – all six were run in 1:09 and change. He won the Monmouth Park NATC Futurity by 7 lengths in his stakes debut at 2 and captured three stakes at 3 while racing at Penn National and Delaware Park. His stakes-placings included a third in the Grade 1 Vosburgh. With a record of 21-7-2-4 he earned \$701,147.

In his first crop Poseidon's Warrior sired 2017 Champagne Stakes-G1 winner Firenze Fire, making him the only freshman

sire in 2017 with a Grade 1 winner. Firenze Fire has gone on to become one of the nation's top sprinters – in 23 starts over three seasons, he has nine wins and earnings of \$1,691,750 while racing exclusively in stakes company since his daylight maiden debut win at Monmouth. Additional victories have come in the Grade 3 Sanford at 2; the Grade 3 Gallant Bob and Grade 3 Dwyer at 3; and three stakes in 2019, including the Fabulous Strike at Penn National and Aqueduct's Gravesend in his final start of the year. He counts stakes-placings in three Grade 1s – the Forego, H. Allen Jerkens and Vosburgh, and has run in the Breeders' Cup each of the past three years.

Other stakes performers from Poseidon's Warrior's first crop are stakes winner Navy Commander (\$294,233, Long Branch S, etc.)

and stakes-placed Powerful Venezuela. His second-crop winners include Splicethemainbrace, stakes-placed at 2 and 3 and an earner of \$200,204.

With progeny earnings in excess of \$1.86 million in 2019, Poseidon's Warrior ranks among the top 10 active Mid-Atlantic sires. In his first three U.S. crops, he is the sire of 126 foals, 80 percent having started, more than 60 winners and total progeny earnings of \$4 million-plus. He is also the sire of a crop foaled in Argentina in 2015. Poseidon's Warrior stood one year in Kentucky when relocated to Darby Dan Farm for the 2019 season.

Poseidon's Warrior descends from a family with a rich history in the region. Out of the Smarten mare Poised to Pounce, a half-sister to \$711,804-earner and seven-time stakes winner Smart 'n Quick, Poseidon's Warrior is a half-brother to Maryland Million Classic winner Play Bingo and multiple stakes winner Quick 'n Smart, dam of two-time graded stakes winner and multiple course record-setting turf sprinter Smart Enough (\$873,317, High-lander S-G3, etc.). The family includes Canadian champion grass horse Conquest Enforcer. With Mr. Prospector on the top and being out of a Smarten mare, Poseidon's Warrior offers a pedigree similar to that of leading sire Smart Strike. ■

DIAMOND B ADDS BOISTEROUS

Grade 1 winner Boisterous, the leading freshman sire in California in 2018 and leading sophomore sire in the state in 2019, comes east to stand the 2020 season at Diamond B Farm in Mohrsville.

A son of Distorted Humor, Boisterous entered stud in 2015 at Tommy Town Thoroughbreds near Santa Ynez, and in his first crop sired stakes-winning filly Kookie Gal. Of his 25 winners, more than half won at 2. He has progeny earnings from two crops of more than \$1.2 million, and he ranks third among active sires on the Mid-Atlantic region's second-crop sires list for 2019.

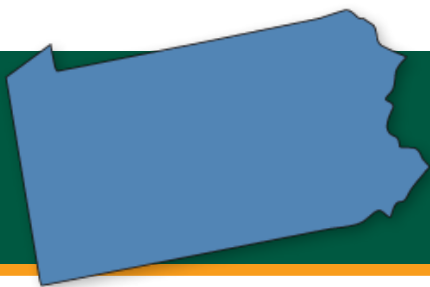

Bred in Kentucky by Cynthia Phipps and racing for Phipps Stable and trainer Shug McGaughey, Boisterous won eight stakes and placed in seven others over five seasons. His biggest score came in the 2013 Man o' War Stakes-G1 when he defeated a full field that included Twilight Eclipse, Exclusive Strike, Finnegans Wake and Optimizer.

Other stakes wins came in back-to-back editions of the Red Smith Handicap-G2 and Knickerbocker Stakes-G3 in 2011 and 2012, the Monmouth Stakes-G2 over future champion turf horse Big Blue Kitten, the Fort Marcy Stakes-G3 and Three Coins Up Stakes. His stakes-placings include three Grade 1s. He retired with a 12-3-4 record from 35 starts, with earnings of \$1,458,792.

Out of the stakes-winning, multiple graded stakes-placed Cox's Ridge mare Emanating, Boisterous is a half-brother to three-time graded stakes-placed \$519,717-earner Peyton and stakes-placed Lulu Le' Mon. His second dam is graded stakes winner Lead Kindly Light. From the sire family of top hand-

icap horse Out of Place and NYRA Mile-G1 winner Gold Fever, Boisterous stands the 2020 season for \$3,000. ■

OBITUARIES: BETTINA JENNEY

Bettina Lindsay Jenney, who with her husband Marshall Jenney owned and operated the renowned Derry Meeting Farm near Cochranville, Pa., birthplace of Danzig and Storm Cat and dozens of illustrious runners, died at her home in Greenville, Del., on Dec. 22. She was 86 years old.

Bettina married Marshall Jenney in 1973 after the death of her first husband, Josiah (Jay) Scott, and moved to Derry Meeting Farm. It was there that the Jenneys co-bred with W.S. Farish influential sire Danzig, born in 1977. That same year, Derry Meeting-bred Mrs. Penny was born, and went on to become a champion in Ireland and England and a classic winner in France and later produced Mrs. Jenney (by The Minstrel), the dam of Whitney Handicap-G1 winner Unaccounted For and A Votre Sante. From the Mrs. Penny line Bettina bred Mrs. Lindsay (named after her mother), who won Grade/Group 1 races in France and Canada and earned more than \$1.2 million, as well as Grade 1 winner Dame Dorothy.

Another great bred by Derry Meeting was three-time Grade 1 winner Yankee Affair, a 22-time winner and earner of \$2,282,156, who was born in 1982.

Storm Cat, bred by William T. Young, was foaled at Derry Meeting in 1983.

When Marshall died suddenly at age 60 in 2000, Bettina chose to continue on at Derry Meeting, with the support of longtime client George Strawbridge. Dozens of Strawbridge stakes winners were born at the farm, including 1994 Breed-

ers' Cup Turf winner Tikkanen, and years later English champion and classic winner Lucarno. Less than a year after Marshall's death, Bettina sold a Kingmambo colt bred by Strawbridge for \$3 million at the Saratoga Yearling Sale, the most expensive ever sold by the farm.

She continued the operation for more than a dozen years until retiring and selling it in the mid-2010s. One of the last major runners foaled there was The Elkstone Group-bred Grade 1 winner Mor Spirit, born in 2013.

A memorial service for Bettina will be held at 11 a.m., Jan. 9 at Christ Church Christiana Hundred in Wilmington. In lieu of flowers, please consider donations to the Newfound Lake Region Association, 10 North Main Street, Unit 1, Bristol, NH, 03222. Being at her family's house on Newfound Lake was the highlight of her year.

Bettina is survived by her sister, Seton Lindsay O'Reilly; daughters Lindsay Scott and Sally Scott; four grandchildren; one great-grandchild; and her step-daughters Annie Jenney Darrow and Laura Jenney Roe and their five children. ■

NICK SAPONARA

Nicholas J. Saponara, 80, of Bensalem, passed away Dec. 7. A member of the Harness Racing Hall of Fame, and a past president of the U.S. Harness Writers Association, an organization to which he belonged for 57 years, Nick also owned Thoroughbreds, having claimed his first runner in 2006, and was a member of the Pennsylvania Thoroughbred Horsemen's Association board of directors.

He raced under the name Club Risque Stable, and campaigned such PA-breds as \$459,629-earner Isabella Swift and stakes-placed \$418,618-earner Risque's Diamond. Last September, Parx Racing and the PTHA inducted him into their Hall of Fame, noting that the two-term PTHA Board Member "brings to the table an extensive resume: writer, handicapper, odds maker, horse owner, teacher." He was a contributor to Tom Ainslie's *Complete Guide to Harness Racing*, taught courses on handicapping at the University of Pennsylvania, and at one time was responsible for the official morning lines at Brandywine, Liberty Bell, Atlantic City Harness, along with the Keystone Thoroughbred race track. ■

HORSES OF RACING AGE HIGHLIGHT FASIG-TIPTON MIDLANTIC DECEMBER SALE

Five of the six top-priced PA-Breds sold at the Fasig-Tipton Midlantic December Mixed and Horses of Racing Age held Dec. 10 at the sales pavilion in Timonium, Md., were horses of racing age. In all, 44 PA-Breds sold for \$703,900.

Stakes winner Fielder topped the offerings when Ron Paolucci Racing bid \$100,000 for the gelded son of Sidney's Candy. Consigned by agent Bill Reightler, Fielder (photo,

left) campaigned for the majority of his 27-start career for Waldorf Racing Stables LLC, who purchased the gelding for \$70,000 at the Fasig-Tipton Kentucky Horses of Racing age sale in July 2017.

Bred by Hank Nothhaft's HnR Nothhaft Horseracing out of stakes-placed Karakorum Fugitive (by Ten Most Wanted), Fielder had been a \$47,000 RNA as a weanling, and was sold as a yearling at the 2015 Keeneland September sale for \$180,000 to Juddmonte Farms, who sent him to California to Bob Baffert. He made his career debut at Del Mar in a six and a half-furlong maiden special weight in November 2016, finished fifth, and was sold after that only start the following summer.

It took five months, and five attempts, for Fielder to break his maiden for his new owner, which came at Parx Racing. Trained by Marya K. Montoya, Fielder was a solid allowance horse sprinting on the main track, but became a stakes performer when put on the turf. In his grass debut, July 21, 2018, at Parx, he won the Marshall Jenney. Other stakes performances were two placings in the Laurel Dash in Maryland, both on the turf. In his five most recent starts he was second or third four times (including a second in the Laurel Dash beaten less than a length), and fourth in the Grade 3 Turf Monster Stakes. With a career mark of eight wins, five seconds and six thirds, Fielder has amassed \$351,225.

The next 10 PA-Bred top prices were horses from the Joseph Besecker dispersal, with Northview Stallion Station (David Wade), agent, selling Besecker's 2-year-old homebred El Padrino gelding

Irish Paul for \$62,000. Irish Paul had made three starts from Aug. 6 through Sept. 16 at Parx, and was third, fourth and in his most recent start, second, in maiden special weight company. Classic-winning trainer Louis Roussel III made the purchase.

The highest-priced yearling, and third most expensive PA-Bred, was the Jump Start filly Thornbird selling to Mo Thoroughbreds for \$57,000. Bred by Dell Ennis, the filly is out of

the Tiznow mare Poplar Springs, and descends from champion Fanfreluche (her fourth dam). Besecker had paid \$9,500 for her at the previous year's December sale.

Most expensive state-bred weanling was a son of Exaggerator out of Ballinskelligs, by Malibu Moon consigned by Greenmount Farm for the Besecker dispersal, with J K Bloodstock spending \$30,000. The chestnut colt had gone through the Keeneland November sale less than a month earlier and sold for \$20,000. ■

Pennsylvania News Briefs

New Broodmare Domicile Requirement for Crop of 2020

Most of you are aware that the broodmare domicile report is a mandatory form that is required to be submitted on an annual basis for all mares intending to foal in the state. Beginning with the crop of 2020, the domicile report must be on file when you register your foal. At the time of registration, the PHBA will verify that the domicile report is on file and was submitted timely.

Please do not use any old forms. The new form will be accessible on our website at the end of October. We are requesting that it be submitted online only. If it is imperative that you need a paper copy, please call our office to have one mailed to you.

Please [click here](#) to view the eligibility criteria for a PA-bred, go to our website or contact our office if you have any questions.

2019 PA-Bred Stakes Schedule

Pennsylvania Nursery

As the top three choices in the \$100,000 Pennsylvania Nursery battled it out in the early going, Hockey Puck, at nearly 14-1, settled a few lengths off the pace of :22.86 and :45.94, took dead aim on favorites Golden Candy and Newstome in the stretch, and closed fast to win by a half length. Golden Candy, winner of the First State Dash Stakes in September and third in the Parx Juvenile in November, was a length and a half better than two-time stakes winner Newstome (Mark McDermott at Presque Isle, James F. Lewis III at Laurel Park) in third. Breezy Gust, the third-choice in the Nursery's field of 11 and early leader, faded to sixth. Final time for the seven furlongs was 1:25.44.

Hockey Puck, owned and bred by Bernie Farrell's Wagon Wheel Farm in Newville, was making his fifth start and first in a stakes. Second in his debut at Penn National in July, the Erin McClellan-trained runner got his first win by a neck at Parx in September going six furlongs. A trip to Aqueduct was next, where he finished fourth of five. He was the Nursery's sixth choice.

A second-generation homebred, Hockey Puck is the third winner from five foals for the Cat's Career mare Katydid's Career. He is the second stakes winner from just 18 starters for the Godstone Farm stallion Well Spelled, a graded stakes-winning sprinter whose oldest runners are now 4. Well Spelled's first stakes winner, Well Graced, won the 2018 Strike Your Colors Stakes at 2. Well Spelled has 10 winners from 24 foals in his first two crops, and progeny earnings of nearly \$600,000. Hockey Puck is his leading earner, with \$122,430 from six starts. ■
