PA Horsemen Loving PA-Bred Racing Program

by Nikki Sherman

Thirty years ago, a 4-year-old horse who has earned six figures would have been a multiple stakes winner. In 2020 that is far from the case, especially when that horse's connections can confidently place him in races that offer bonuses like the lucrative Pennsylvania-Bred program.

Word On a Wing is a prime example, earning \$156,950 despite never having contested a stakes race in eight career starts.

The PA-Bred son of young sire Winchill has practically never finished off the board in eight starts, with only a disqualification last fall. Throw that race out, and Word On a Wing has a record of 7-5-1-1 and average earnings per start of over \$22,000. The gelding notched his first career victory by 16½ lengths in a maiden special weight in February 2019. He also captured his first PA-Bred allowance condition, first open allowance, second open allowance and second PA-Bred allowance--an incredible average of nearly 6½ lengths per win. Those last two victories have come since Parx Racing reopened after the COVID-19 shutdown.

"As Pennsylvania breeders, we like to support the Pennsylvania program so you try to at least get your conditions," notes trainer Kate DeMasi. "As far as running out of state [in stakes races], I don't think there's a big incentive. You're going to probably run against tougher horses and as a breeder you're not going to get anything in terms of your bonus money."

Word On a Wing was a welcome face when he arrived at Parx last year. He is a third-generation member of the DeMasi barn on his mother's side and DeMasi also trained his father, Winchill. His maternal grandmother Merry Princess was a three-time stakes winner in the early 2000s and while his dam Merry's Pegasus, a daughter of Fusaichi Pegasus, won but one race (at Atlantic City in 2009), she has more than made up for it in producing Word On a Wing.

"My groom rubbed the mother and Winchill so he rubbed both parents," says DeMasi. "He's really a combination of horses that we've had over the years. It's really very exciting to see him develop into the horse that he is. [Merry's Pegasus] foaled a full sibling this year."

Merry's Pegasus' first foal Merry Giant (by Red Giant) won three races and her filly Tarafirma (by Any Given Saturday) won four including a first-level open allowance on the turf at Penn National. DeMasi has continued working on Tarafirma's second allowance condition this year. But that

2020 full brother to Word On a Wing certainly carries the highest hopes for Pewter Stable.

"I think overall Winchill is doing really well," says DeMasi proudly. "[His babies] come to hand quickly enough but I think that they benefit from a bit more maturity to them. They're smart and overall they're fairly correct-looking individuals. I think that his babies tend to favor the mothers a little bit in terms of the looks. So if you've got a big, rangy mare you're probably going to get a big, rangy baby."

While Word On a Wing has stayed in sprint races on the dirt, his female family is primarily turf and DeMasi is curious if the gelding would handle added ground.

"[Winchill's first winner] You Must Chill actually won [on the grass] on the west coast and then won the PA-Bred allowance on the dirt right before we went on the break with COVID. He's the only one I know of that runs long. I haven't had any myself yet that I would say are routers, although I wonder if Word On a Wing would do both. But it's kind of like, if it ain't broke don't fix it. I'm a little hesitant to go hunting grass for him when he's just fine on dirt."

Other Pennsylvania horsemen have taken full advantage of the PA-Bred racing program. Wendy Mutnik's homebred Final Shot is a leader in the Parx standings this season with two allowance wins and earnings of over \$76,000. And in January, Bobby Mosco claimed Admiral Abe for \$25,000 for Stefcon Racing, then just before the shutdown in March snuck in his first open allowance victory, ironically just ahead of Final Shot. Admiral Abe also has two 2020 wins and boasts earnings of \$77,255.

"I think the PA-Bred program is great," says fellow Parx trainer Ed Coletti Jr., who conditions recent Iroquois Award winners Midtowncharlybrown (\$496,548), Midnightcharly (\$354,308) and Dixie Serenade (\$339,485). "It helps the breeder as well as a person who just likes to own horses. The ability to be able to win a PA-Bred 1xmc ['A-Other-Than'], then if the horse is good enough win the open 1xmc, then do it again in the PA 2xmc and open 2xmc is so helpful for people to be able to recoup some of their investment, plus hopefully pay the bills on the horse."

It also helps to have a quality horse with plenty of potential and talent. Word On a Wing certainly has just that and according to DeMasi he has shown that ability and work ethic from the very beginning. However with her lifetime of experience she knows better than to get too excited too early.

"I've always been a believer that you've got to let them take you where they need to go," she notes. "What they do in the morning is different than what they show in the afternoon. The proof is always in the pudding when they get to racing. But I think we always thought that he was talented but you never know what they're going to be until you get them up against the competition. But he kept stepping up to the plate every time."

2020 Pennsylvania-Bred Stakes Schedule

We are happy to say that with the help of PARX Racing and the PTHA we will be holding five Stakes on PA Day at the Races for purses of \$80,000 each. We will also be running the Nursery in December and most probably the Shamrock Rose in November. These races will be black type! With the uncertainty of a consistent revenue stream, it is too early to commit to any other Stakes at this time but please rest assured, that if it is at all possible, we will add to them going forward.

PENNSYLVANIA's DAY *at the* RACES

PA Day will be held on Labor Day, Monday September 7th at PARX Racing with over a half million in purses! The card will feature five PA-Bred Stakes and as usual the balance will consist of Pa Restricted Races. With the threat of the spread of Covid-19, there will be no luncheon. The ability of owners and their guests to attend and even be in the paddock or winner's circle will depend on protocols in place at that time.

Cancellation of the day was an option but we realized that many of our PA-Bred breeders and owners look to this day as a chance to showcase their horses and earn black type. With the help of PARX Racing and the PTHA, they'll still have that chance. Good luck and Go Pa!!

A Letter From the Executive Secretary

/Brian Sanfratello

Northview will be transitioning over the next two months to Wellbourne Farms, its new buyer. Greg Newell and I met with CEO John Green who is very excited to be taking over. We are happy that Wellbourne will continue as a Thoroughbred breeding, broodmare boarding and foaling farm and we wish John the best in the future. Their contact information is 717 690 1645 or info@wellbournefarms.com.

Our annual Pennsylvania's Day at the Races at Parx is here with purses of \$750,000. The event takes place on Labor Day Monday, Sept. 7. The day will honor and celebrate the breeding industry in Pennsylvania, as well as provide the chance for topnotch horses to showcase their talents and earn black type in our five \$80,000 stakes: the Banjo Picker Sprint for 3 & up at six furlongs; the Storm Cat for 3 & up at a mile and a sixteenth; the Marshall Jenney Handicap for sprinters 3 & up at five furlongs on the turf; the Dr. Teresa Garofalo Memorial for fillies and mares, 3 & up, at six furlongs; and the Mrs. Penny for fillies and mares,

3 & up, at a mile and a sixteenth on the turf. A 25 percent PA-sired bonus will again be awarded for 1st, 2nd and 3rd in all stakes. We thank the PTHA and PARX Racing for their generous donation to make this day a reality. Because of restrictions we won't be having the luncheon this year but the important thing is that the day is on and we want you to know that we will do everything we can to continue to move the PA program forward!

As a reminder, the annual Stallion and Breeding Farm Directory will be published in December. Forms are being mailed and emailed to our stallion owners and domicile farms to have your information listed in the directory. Don't miss out on this free service!

Please remember, for the foal crop of 2021, broodmares must be in the state by Dec. 1, 2020, or within 14 days of a public sale (within 60 days of a sale outside the U.S.) or breed back to a PA-Sire. We ask that you submit all broodmare domicile forms online. We will let everyone know when the new form is available. ■

Pennsylvania News Briefs

NORTHVIEW PA PROPERTY UNDER TRANSITION

Northview PA, one of the largest stallion operations on the East Coast, and Wellbourne Farms PA, have jointly announced the transition of the renowned Pennsylvania breeding operation in Lancaster County. Wellbourne Farms of Pennsylvania, LLC will carry on the unparalleled stallion and broodmare services the Mid-Atlantic region has become accustomed to at the Pennsylvania facility. Wellbourne plans to provide high level breeding, broodmare care, and turnouts.

"We are thrilled that the farm will remain a breeding operation," said Northview Stallion Station general manager David Wade. "We've assured Wellbourne Farms that we will support them and do whatever we can to help them during and beyond the transition."

Northview established the Pennsylvania farm in 2009 and maintained one of the most popular stallion rosters in the re-

gion, as well as offering boarding and foaling services. The fertile property located near Peach Bottom consists of 168 acres with an eight-stall stallion barn, full breeding shed and office, three 20-stall broodmare barns and a 12-stall yearling barn, all built from the ground up.

"We could not be more excited that such an opportunity presented itself," said John C. Green, Wellbourne Farms CEO, and chairman of Green Family Corporate Holdings. "Location, location, location... Pennsylvania is pivotal to the strength and durability of the thoroughbred breeding and racing industry in the Mid-Atlantic. Most important, this farm has positively impacted the pedigree and high quality of mares bred within the state. The Northview Team has been incredibly helpful passing the torch on to us and no doubt we will carry on the hard work their team has contributed to the foundation for the success of this farm." ■

Over the course of summer 2020, the Pennsylvania Horse Racing Association has been chronicling a 10-part series featuring the select group of Pennsylvania-Breds who reached the milestone mark of \$1-million in racetrack earnings. BESSARABIAN: THE FIRST MILLIONAIRE

When Thor Eaton's father passed away in 1973, he inherited part of the largest department store in Canada. Eaton's was once so successful that it accounted for half of the country's department store sales. Never interested and involved in the department store world, Eaton spent his time and money investing in rock 'n' roll concert promotion and, eventually, horse racing.

Thor Eaton began racing horses at Woodbine and other local Ontario racetracks before developing his Eaton Hall Farm for breeding in Caledon, Ontario. He later opened another farm in Ocala, Fla., to conduct winter racing at Hialeah Park.

Eaton Hall employed bloodstock agent Tom Webb to purchase and consign horses on their behalf. In March 1984, Webb attended the Florida Breeders' Sales Company's Hialeah Two-Year-Old's in Training Sale, where he purchased a Vice Regent filly on a winning bid of \$122,000 for Eaton Hall. Named Bessarabian, she became the greatest racehorse of the hundreds raced under the Eaton Hall banner.

Bessarabian's pedigree traces back through five generations of Canadian-breds. First dam Tete de Linotte was a multiple stakes placed 3-year-old for prominent Canadian owner Jean-Louis Levesque. For her third foal, she was bred to 13-time leading Canadian sire Vice Regent. Levesque entered Tete de Linotte in the 1981 Keeneland November Sale while in foal to Vice Regent, and she was purchased by Pennsylvania owner Richard Winn for \$65,000.

So, while Canadian to the bone, Bessarabian was bred in the name of Welcome Farm and foaled in Pennsylvania on March 9, 1982.

When Tom Webb purchased Bessarabian for Eaton Hall in 1984, she returned north of the border where she was turned over to trainer Michael Doyle. She debuted for Doyle and Eaton Hall three months later at Woodbine.

It took Bessarabian five tries to win a race, but she made the wait worthwhile by breaking her maiden in the Ontario Debutante Stakes at Fort Erie on Aug. 19, 1984. Prior to her first win, she had already picked up black-type status from running second in the Nandi Stakes. The Ontario Debutante victory marked the beginning of a five-race win streak over the next 10 weeks.

Pointing towards the Grade 3 Natalma Stakes, Bessarabian prepped with an easy allowance victory at Woodbine. Nine days later, she cruised home in the Natalma to record the first graded stakes win of her career on the grass. Fifteen days following the Natalma, she returned to record another stakes victory in the Mazarine. After another 18 days, Bessarabian traveled to the Meadowlands in East Rutherford, N.J., for her first start outside of Canada. She did not disappoint, crushing the Grade 2 Gardenia Stakes field by nine lengths in the slop.

In 1984, an interesting year-end proposition had materialized in American racing. The inaugural Breeders' Cup World Championships were to take place on Nov. 10 at Hollywood Park. Having reeled off five straight wins, including four in the span of six weeks,

Bessarabian shipped to the opposite end of the country for the first running of the \$1 million Breeders' Cup Juvenile Fillies as the 5-2 favorite. When the gates sprung, she was 8-5.

Perhaps the 15-day turnaround from the Gardenia and her busy season were too much, or perhaps she just fell too far back in the early going before getting caught widest of all around the turn, because Bessarabian failed to fire and finished sixth. Longshot Fran's Valentine crossed the wire first, but was disqualified to last for interference in the stretch, elevating Bessarabian to fifth.

Although a winner of five of 10 starts, including four stakes victories, Bessarabian lost the Sovereign Award for Canadian Champion Two-Year-Old Filly to Deceit Dancer. Bessarabian's trainer, Mike Doyle, took home the award for Outstanding Trainer.

For her 3-year-old season of 1985, Bessarabian returned at Eaton's winter stomping grounds of Hialeah Park, winning the Hibiscus Stakes on April 1. Following a failed try in the Grade 1 Fantasy Stakes, the filly returned to Canada to record an easy allowance win eight days before she cruised to victory in the Lady Angela Stakes on the grass. Returning to New Jersey at month's end, she tallied another score in the Princeton Handicap at Garden State Park and followed with a win in Woodbine's Selene Stakes. Having reeled off four wins in as many weeks, Bessarabian could only manage second behind Lake Country in the Nassau Stakes.

Undeterred, Doyle decided to take another crack at Grade 1 success in Belmont Park's Coaching Club American Oaks. Joining Bessarabian in the field was Mom's Command, who was attempting to sweep New York's Filly Triple Crown following victories in the Acorn and Mother Goose. In one of the most valiant efforts of her career, Bessarabian closed with

a furious rush to cut into Mom's Command's massive 10-length lead, falling only two and a half lengths short at the end of the mile and a half long test. Mom's Command would go on to be named American Champion Three-Year-Old Filly and was inducted into the National Racing Hall of Fame in 2007.

Bessarabian returned to her home track at Woodbine with another allowance prep victory before winning her final stakes of the year in the Ontario Colleen Handicap on turf. She was seven for 12 on the year with five stakes wins, but Canadian Champion Three-Year-Old Filly went to Queen's Plate winner La Lorgnette.

Wintering in Florida again, Bessarabian had a tough start to her 4-year-old season in her first five starts, only managing seconds in the Shirley Jones Handicap at Gulfstream Park and Bal Harbour Stakes at Hialeah. Given a brief break, she returned to the races in Canada towards the end of May to record her first stakes win of the year in the Seaway. Next out Bessarabian attempted another try in the Nassau Stakes, but again fell victim to the previous year's winner Lake Country, finishing third. She followed it up with a second place effort in the Woodbine Breeders' Cup Handicap, but

the eventual disqualification of the winner for a positive test resulted in Bessarabian inheriting the victory.

After another third-place finish in the Victoria Stakes, Bessarabian shook off her bad luck and scored in the Ontario Matron Handicap. The effort earned another trip south of the border, and she picked up another graded stakes-placing while finishing third in the Grade 2 Arlington Matron Stakes. Back at Woodbine the following month, Bessarabian used her traditional allowance race win as a springboard to victory in the Canadian Stakes on turf.

After a failed try in Kentucky, she returned to Canada for her final race. On Nov. 29, 1986, Bessarabian recorded her final career victory in the Tattling Handicap at Greenwood Raceway. With six wins in 15 starts in 1986, she was finally christened a champion and was named Canadian Champion Older Mare.

Towards the end of the 1986 racing season, Bessarabian finally hauled her career earnings over the million dollar mark. In doing so, she became the first Pennsylvania-bred to earn \$1 million on the racetrack. She went about it the hard way, earning an average of \$28,000 per start. From her three years on the track,

Bessarabian won 18 times, with five seconds and four thirds, from 37 races for earnings of \$1,032,640. Fourteen of her 18 victories came in stakes races, and she placed in an additional eight others. With victories ranging in distances from six- to nine-and-a-half furlongs, Bessarabian recorded stakes wins over both turf and dirt.

As a broodmare, Bessarabian was bred to dual American Horse of the Year Alysheba and produced Grade 1 Canadian Maturity winner Dagda. In 1995, Woodbine contested the Bessarabian Handicap. The following year, they renamed the Etobicoke Handicap to the Bessarabian to ensure it became a permanent fixture on the racing calendar. The race is still contested each year at Woodbine and currently holds Grade 2 status.

At one point during Bessarabian's career, Thor Eaton was offered as much as \$2 million to sell his champion, an offer he turned down. He continued racing horses under his Eaton Hall Farm through 2016 and passed away a few months later. Bessarabian remains the highest earner Eaton ever campaigned. ■

TOM'S READY: FROM OUT OF THE CLOUDS

Blackstone Farm LLC has quickly established itself as one of Pennsylvania's most prominent breeders of Thoroughbreds. Located in the rolling hills of Pine Grove, the farm was first created in 2006, but a management change in 2010 has quickly launched the farm on an upward trajectory.

Blackstone's main approach has been to purchase broodmares in foal to top-class Kentucky stallions at auction and have them foal out at their farm in Pennsylvania. They often send the majority of their broodmare band back to top Kentucky stallions to continue the influx of strong pedigrees and sire power to the Pennsylvania-bred program. In turn, they sell the resulting foals as weanlings or yearlings in Keeneland or Fasig-Tipton sales. The approach has quickly turned into a success, with Blackstone leading all Pennsylvania breeders in 2016 with over \$1.5 million in earnings.

At the 2013 Keeneland January sale, Blackstone purchased a broodmare by Pennsylvania Derby winner Broad Brush named Goodbye Stranger. Goodbye Stranger was in foal to in-

ternational powerhouse sire More Than Ready, carrying a full sibling to a previous stakes-placed runner of hers. Blackstone took her home on a winning bid of \$40,000.

On Feb. 1, 2013, Goodbye Stranger foaled a big, lanky dark bay colt with a lopsided blaze running from forehead to nostrils. Initially offered as a weanling at the 2013 Keeneland November Sale, the colt did not meet reserve and returned to Blackstone Farm.

Perhaps his failure to sell as a weanling was fate because the colt became the first Blackstone-bred yearling to be accepted to Fasig-Tipton's Saratoga Select Yearling Sale. The Saratoga Sale is considered by many as one of the elite yearling sales offered on the American sales calendar due to its boutique nature. Entries at the two-day sale rarely exceed 250 horses. Sent through the ring as Hip 19, the colt hammered at \$145,000 for buyer G M B Racing.

Under the ownership of Gayle Benson, G M B Racing was a newly born venture on the horse racing scene. Purchasing horses for her new

endeavor for the first time in 2014, the fresh-faced stable would make its owner debut that December.

Mrs. Benson was married to Tom Benson, a giant on the New Orleans sports scene, claiming both the NFL's New Orleans Saints and NBA's New Orleans Pelicans under his ownership. Gayle worked alongside her husband as the executive officer for the Saints franchise and was involved in many other areas of philanthropy before finally deciding to turn her passion for Thoroughbred racing into her own racing stable in 2014.

Mrs. Benson named many of her early horses after her husband, and Goodbye Stranger's lanky-limbed colt was no exception. Named Tom's Ready, he was turned over to the tutelage of Kentucky- and Louisiana-based trainer Dallas Stewart.

Tom's Ready broke his maiden on third asking at Churchill Downs on Sept. 26, 2015. Never in doubt, he won by an easy 3¼ lengths after leading from gate to wire. Ironically enough, his manner of winning was the exact opposite sort of running style he would come to be known for throughout the rest of his career.

Next out, Tom's Ready made his stakes debut in the Street Sense Stakes. Tracking the leaders throughout, he found himself stuck behind a wall of horses around the turn and into the stretch. By the time he found clear racing room, fellow G M B Racing-owned Mo Tom had swept to the lead, and Tom's Ready could only manage to close the gap to one length at the wire. Gayle Benson had won the first stakes race of her career and did so by finishing first and second in the same race. Although it was only the first year of racing for G M B, the prospect of not only one, but two talented colts sparked early Kentucky Derby dreams.

Following a rough trip in the sloppy Grade 2 Kentucky Jockey Club, Tom's Ready shipped to Dallas Stewart's winter headquarters of Fair Grounds Race Course in New Orleans. There, he made the final start of his 2-year-old season in an allowance race, finishing second by a neck.

Tom's Ready made his 3-year-old debut in the first of Fair Grounds' Kentucky Derby prep

races, the Grade 3 LeComte Stakes. After sweeping to the lead in the stretch, he was run down and defeated again by Mo Tom, this time by 2¼ lengths. In the second of Fair Grounds' prep races, the Grade 2 Risen Star, Tom's Ready failed to fire and Mo Tom finished an extremely troubled third. Regardless, Mrs. Benson decided to push on with the colts, and both were entered in the \$1 million Grade 2 Louisiana Derby.

Despite being ignored at 30-1 odds off of his poor performance in the Risen Star, Tom's Ready made a bold move around the turn to run down everyone except the eventual winner, Gun Runner, losing by 4½ lengths. Mo Tom experienced another terribly unlucky trip and could only finish fourth.

The 40 points Tom's Ready earned from the Louisiana Derby were enough to guarantee him a shot in the Kentucky Derby. Mo Tom also managed to garner enough points with his fourth-place finish. Remarkably, from her current stable of five horses, Gayle Benson managed to get two colts to the world's greatest horse race only a year and a half after she launched her racing stable. Although neither Tom's Ready or Mo Tom would end up hitting the board in the Kentucky Derby, it's an accomplishment worth recognizing.

Following his Kentucky Derby attempt, Dallas Stewart decided to take a new approach with Tom's Ready. Having broken his maiden in a seven-furlong sprint, the decision was made to cut the colt back in distance. The goal was the Grade 2 Woody Stephens at seven furlongs, a \$500,000 event on the Belmont Stakes undercard.

Tom's Ready, sent off the 7-1 fifth choice in the field of 12, dropped back to dead last in the early going and trailed by as much as 13 lengths at the first quarter. As the field approached the five-sixteenths pole, jockey Joel Rosario finally let Tom's Ready loose, and the colt began uncorking a massive run around Belmont Park's sweeping turn. Picking off horses one by one, Tom's Ready was still eighth as the field reached the final furlong. He suddenly exploded as Rosario weaved him inside and outside of horses, grabbing the lead inside the final sixteenth to complete his breathtaking last to first move. He hit the wire 1¼ lengths in front.

With the realization of Tom's Ready's prowess at one-turn, the colt embarked on a new career as a middle-distance specialist. After a failed trip to Saratoga, he returned to Churchill Downs for the one mile, one-turn Grade 3 Ack Ack Handicap that fall. The Ack Ack featured the return of the previous year's champion sprinter, Runhappy. It proved no issue for Tom's Ready, who settled seven lengths back in the early going before sweeping to the lead in the stretch, eventually holding off the late charge of Iron Fist to win by a comfortable half-length.

An attempt was made in that year's Breeders' Cup Dirt Mile-G1, but with Santa Anita hosting the World Championships, the Dirt Mile was contested around two turns and Tom's Ready could only manage to finish fifth.

Tom's Ready started his 4-year-old season in the Grade 2 Churchill Downs Stakes on the Kentucky Derby undercard where he finished a respectable third of 14, beaten three-quarters of a length. As the summer wore on, his connections decided to take a crack at Pennsylvania-bred stakes, and Tom's Ready headed to Presque Isle for the one-mile Leematt Stakes. Sent off the heavy 2-5 favorite, the colt displayed his customary sit back and unleash style, making up ground around the second turn to secure the lead by the top of the stretch. He held off the determined late rally by Edge of Reality to win by a head.

Following third place finishes in the Grade 1 Forego at Saratoga and Grade 2 Kelso at Belmont, Tom's Ready opted for the Grade

3 Bold Ruler Handicap instead of that year's Breeders' Cup. Tom's Ready was let go as the 8-1 sixth choice in the field of nine. Sitting 11 lengths last in the early going, he launched his bid around the final turn, got caught eight wide turning into the stretch, and still managed to run down Stallwalkin' Dude to win the Bold Ruler by three-quarters of a length. The \$120,000 first place purse officially made Tom's Ready a millionaire.

The Bold Ruler would prove to be Tom's Ready's final victory, with his final start coming next out in the Grade 1 Cigar Mile on Dec. 2, 2017. Finishing fifth, Tom's Ready headed to Lexington, Ky., where he entered stud at Spendthrift Farm for the 2018 breeding season.

From his three years on the racetrack, Tom's Ready faced the starting gate 21 times with five wins, four seconds, and three thirds. He won four stakes races and placed in six others. He managed to qualify for the Kentucky Derby while running at distances that were clearly farther than his mettle, with all of his wins coming at seven or eight furlongs.

After standing his first season at stud at Spendthrift, Tom's Ready was moved to Red River Farms in Coushatta, La., in 2019, where he currently stands for \$2,000 alongside old rival Mo Tom. Perhaps it's fitting how the two colts who put Gayle Benson on the map as an owner both ended up in her home state of Louisiana.

MASTER COMMAND: THE LATE BLOOMER

Betty Moran's Brushwood Stable has cemented itself as a titan of the Pennsylvania turf. Horses like 1985 Belmont Stakes winner Creme Fraiche, 2000 Grand National winner Papillon, and 2004 Arlington Million victor Kick-en Kris campaigned under the green and teal silks of Brushwood, while five eventual Pennsylvania-bred millionaires were born and raised at the Malvern farm, a record Brushwood shares alongside George Strawbridge.

Mrs. Moran launched her racing enterprise in the 1980s. While breeding, selling, and sometimes campaigning her own homebreds, she also became a regular face at Kentucky's top yearling sales by purchasing many high end, and oftentimes pricy yearlings in the name of Brushwood Stable.

While attending the 1994 Keeneland July Yearling Sale, Betty Moran happened upon a chestnut filly bred by historic Wimborne Farm and sporting an exceptionally strong female family. The filly was sired by Lord At War (Arg), a champion miler in Argentina who made a successful foray to the U.S. to capture the Grade 1 San Antonio and Santa Anita Handicaps. Tracing back through the tail female family, third dam Searching was a Hall of Fame inductee who

produced fellow Hall of Famer and three-time champion Affectionately. Second dam Priceless Gem, half-sister to Affectionately, defeated the legendary Buckpasser in the 1965 Futurity Stakes. As a broodmare, Priceless Gem was the dam of Allez France, a millionaire and seven-time Group 1 winner in France. Bred to Secretariat for her sixth foal, Priceless Gem produced Lady Winborne, who was Group 3-placed in Ireland before retiring to broodmare duties. By 1994, Lady Winborne had already produced Grade 1-winning millionaire Al Mamoon, as well as Grade 1 winner La Gueriere, a full sister to the filly offered at Keeneland. Mrs. Moran took home the filly on a \$385,000 ticket.

Named Lady Lochinvar, the chestnut filly would only end up winning one of her six races for Brushwood Stable. Much like her direct female family, her value would come as a broodmare. Lady Lochinvar's first two yearlings commanded \$500,000 and \$450,000 respectively in the sales ring for Betty Moran, and while neither of them accomplished much on the race-track, third time would be the charm.

On April 28, 2002, Lady Lochinvar delivered a flashy chestnut colt with a big white blaze at Brushwood Stable. By champion sire A.P. Indy,

the colt developed into a beautiful specimen and was accepted to the 2003 Fasig-Tipton Saratoga Select Yearling Sale. Buzz Chance signed the \$650,000 winning ticket on behalf of Aaron and Marie Jones.

Aaron Jones was an Oregon lumberman turned Thoroughbred owner and breeder. Launching his racing venture in 1971, Aaron and his wife, Marie, had already campaigned three Eclipse Award-winning champions by the time they purchased Mrs. Moran's colt in 2003. The following year, the Jones's reached new heights on Oct. 30 when two horses they bred, Speightstown and Ashado, charged to victory in Breeders' Cup World Championship events en route to eventual year-end championships.

The chestnut colt by A.P. Indy out of Lady Lochinvar was named Master Command and sent to the Jones's regular trainer, Todd Pletcher. Master Command took time to develop and did not start as a 2-year-old, instead debuting at age 3. After hitting the board three consecutive times, he finally put things together to win his fourth start at Belmont Park on Oct. 10, 2005. Trying new tactics for the first time, the blaze-faced colt went straight to the lead and battled tooth and nail with Aaron's Classic for the entire one mile race. A photo finish was needed to separate them at the end, but Master Command had managed to keep his nose in front on the wire.

Master Command continued his winning ways, scoring in an Aqueduct allowance by 1½ lengths before starting his 4-year-old season with another 1½-length allowance victory at Gulfstream.

After finishing fourth in his first stakes attempt, Master Command rebounded on the Preakness Stakes undercard. Taking the early lead in the Grade 3 William Donald Shaefer Handicap, the colt remained in control from start to finish to win the first stakes race of his career by an easy 2¾ lengths, defeating 2005 Belmont Stakes runner up Andromeda's Hero and 2003 Kentucky Derby and Preakness winner Funny Cide.

Later that fall, Master Command entered the Grade 2 Meadowlands Cup off of a third place effort in the Grade 3 Philip H. Iselin, a race in

continues on next page

MILLIONAIRES ROW - MASTER COMMAND *continued*

which he never reached the lead. Facing off against Iselin winner Park Avenue Ball, Master Command went straight to the front in the Meadowlands Cup and never looked back, winning the \$500,000 event by 1¼ lengths. His scorched the mile in 1:34.22 en route to a final time of 1:46.21 for 9 furlongs, and his performance earned him a 114 Beyer Speed Figure. It remained one of the highest figures of the year. Off of the big Meadowlands effort, Master Command attempted Grade 1 glory next out in the Clark Handicap, but the far outside post 12 proved too much to overcome, and he ended up worst off in a three-way photo for second place.

At age 5 in 2007, Master Command found a new gear. Wintering at Fair Grounds, he debuted in the Grade 3 Mineshaft Handicap. After battling with Purim for most of the race, Master Command shook clear around the turn and rolled to an easy 6-length victory in stakes record time of 1:42.28 for 8½ furlongs. His final time was only .26 off the track record, and he still holds the records for both margin of victory and final time in the Mineshaft.

Returning the following month, Master Command won the \$500,000 Grade 2 New Orleans Handicap like a 3-10 shot should, tracking the early leader and then drawing away to a comfortable 3½-length score. His career earnings topped \$950,000 with only four stakes wins.

Sent to Hawthorne Racecourse for the Grade 3 National Jockey Club Handicap, Master Command scared the competition away. Sent off the 2-5 favorite in the field of four, he rated directly off of Sweetnorthern's lead before leaving his rival in the dust and pulling away to a 3¾-length win. The winner's share of the purse boosted Master Command over the seven-figure mark in earnings and he became racing's newest millionaire.

The National Jockey Club would end up being the last win of Master Command's career, and he was retired in August 2007 following two subsequent off the board finishes. He was awarded Pennsylvania-bred champion older male in 2007, and entered stud at Taylor Made Farm in Nicholasville, Ky., for \$15,000 the following year.

From his three years on the racetrack, Master Command improved with age, winning eight of his 17 starts with two seconds and two thirds. He tallied five total graded stakes triumphs at ages 4 and 5, and his career earnings amounted to \$1,137,188.

During his third season at stud, Master Command reared up and lost his balance. The subsequent fall left the stallion severely injured, and he was rushed to Rood & Riddle Equine Hospital in an attempt to save his life. Unfortunately, Master Command's condition did not improve, and the decision was made to humanely euthanize him on April 13, 2010. He was 8 years old.

With only three crops to represent him, Master Command ended up siring 10 stakes winners. His top runners included two-time Grade 3 winner Master Rick, Grade 1 Hollywood Derby winner Unbridled Command, and 2014 Kentucky Derby runner-up Commanding Curve. ■

Recent PA-Bred Stakes Horses

Breeder/owner/trainer Elizabeth Merryman has sent out her gray filly Caravel three times in her career, all since June 24, and has gone to the winner's circle three times. In Caravel's most recent start, her stakes debut in Presque Isle Downs' Lady Erie, she dominated through the stretch to win by three and a quarter lengths over the all-weather surface. The 3-year-old filly fought for the lead the entire six furlongs, through opening fractions of :21.78 and :44.97, and drove home in a final time of 1:10.08 is the test against open company.

Merryman sent out Caravel twice at Penn National at five furlongs on the turf. In her debut, Caravel rallied from last of 10, nearly a dozen lengths back, to win by daylight. In her second start on July 29 she destroyed the field to score by five and a quarter lengths in a final time of :54.66, just .05 seconds off the course mark set in 2002 by multiple stakes-winning older horse Bop.

A member of the Pennsylvania Horse Breeders Association's board of directors, Merryman breeds mares at her farm in Coatesville and trains at the Fair Hill Training Center.

Caravel is the first foal out of Zeezee Zoomzoom (by Congrats) who has a 2-year-old filly by Bourbon Courage named Topsy Chatter and a yearling Great Notion colt. After delivering a Holy Boss colt in April, Zeezee Zoomzoom was bred back to Great Notion.
