LETTER FROM THE EXECUTIVE SECRETARY

As we turn the page on 2022, I wish everyone a Healthy, Happy & Profitable New Year! Thank you for making our breeding program the best in the country!

Breeding season is almost here again, so get ready by bidding for a season at the 2023 Stallion Season Auction on thoroughlybred.com. The auction will begin on January 15th and run through the 22nd. Please sign up in advance and take a look at the Pa Stallions to be eligible for the PA-Bred PA-Sired stallion series and double the breeder awards! You can view the available seasons on our website. You also should have received a hard copy of the new Stallion Directory to help with your selections or you can view it online at pabred.com. If you didn't receive a directory, please call our office and we'll send a copy.

The PA-Bred PA-Sired 2yo Series is expanding this year and will be run in three legs, SIX STAKES, at 5 1/2 furlongs for \$100,000, 6 1/2 furlongs for \$150,000, and a flat mile for \$200,000. Each leg will consist of a 2yo race and a 2yo filly race. Don't forget about the \$50,000 trainer bonus for the top three point-earning horses. Nominations for the 2023 series are \$500 for 2yo's if paid by March 31th. You can go to pabred.com under 'Forms' or 'Featured' and print the nomination form.

Broodmares that were not in the state by Dec. 1, 2022, or within 14 days of a public sale (within 60 days of a sale outside the U.S.) must be bred back to a PA-Sire. The new 2023 Stallion & Boarding Farm Directory is now available online at pabred.com. We ask that you submit all broodmare domicile forms online. The new form is available for use by going to pabred.com under 'Forms' and is now mandatory for registration.

As usual, please contact our office with any questions you may have. Pennsylvania is the only place to Breed & Race! Have a great 2023 and Go PA!!

Fiddler's Green:

A Pennsylvania Utopia For New PA Breeders

by Nikki Sherman

Sometimes relationships are meant to be about more than just love. Sometimes relationships are also about history and the future too. Jon and Colleen Fabriziani more than personify this. Jon's father was an exercise rider as a youngster, and he passed his love of the sport to his twin sons, Jon and Josh. Their mother owned horses and had farms in Vermont and Florida. Colleen's extended family immigrated from Ireland—where horses are a way of life—to Canada and they owned racehorses. So it goes without saying that the young couple would join forces in the horse racing world as well.

"We started getting more interested in horse ownership when we met Claudia Dollinger, who rented our barn last year for her four broodmares," Jon remembered. "We

absolutely loved having the horses on the farm and seeing the foals grow up over the summer."

The Fabrizianis are both extremely well-educated, with Jon an optometrist for the family practice Fab Eye Care and Colleen a chemical engineer for the Navy. They sought out advice from Don and Marie Morrison and then smartly, they took a careful route into the industry by joining Kathleen and Greg DeMasi's Pewter Stable.

"We really liked that it was a family business," said Jon. "I was lucky enough to talk to Greg about getting started in horse ownership and how he went through the ups and downs of the industry. I think communication and trust is really important and the DeMasies do a great job with the owners."

While they still have connections with Pewter Stable, their goal was always to learn about the industry so that they

could be successful on their own.

“The plan was always to branch out on our own once we learned a little bit more about the game,” Jon noted. “For me, breeding provides owners so many options in the sport. It doesn’t limit you to one area of horse racing. There is no other facet of the game that allows you to pick a stallion and mare, raise a foal, race the filly or colt, and then breed them after their racing career is done!”

To get rolling with their breeding farm, Claudia Dollinger introduced the Fabrizianis to Justine Howell of Whysper Wynd Farm. Justine was more than happy to help the “newbies” and has been mentoring the couple as they enter this new phase of racehorse ownership. She even has one of her own mares at their farm to keep their new Keeneland purchase company since she lives just five minutes away.

The experience of being at the prestigious Keeneland November Sale blew the Fabrizianis away, with the energy and hopes of everyone that one of the mares being offered would be in foal to the next Kentucky Derby winner. Justine helped them narrow down their search and the group finally found their mare, Sweet Saturday, a half-sister to Exagorator in foal to Tiz the Law.

“She took the time to sit with us and review hundreds of pedigrees and coached us through our first trip to Lexington,” Jon said. “Having someone like Justine, who brings years of experience and knowledge, is invaluable. She knows the steps

to avoid and what’s worth taking a risk on. I’m sure we will make a few mistakes down the road but it’ll be a whole lot less than we would’ve made without her expertise.”

Sweet Saturday has the Fabrizianis excited and ready to go back again for their second mare soon. The daughter of Any Given Saturday had been circled in the catalog but they had not been able to examine her until she was in the sales pavilion. Colleen ran out to take a video for Jon to see her conformation and then returned to join her husband as the

mare entered the ring. They had previously been outbid on ten horses but were determined to find the perfect mare. When the gavel finally fell, the Fabrizianis had purchased Sweet Saturday for \$20,000.

"I think conformation and pedigree are important, but there is one trait that I think is most important, winning," said Jon. "The goal for me is to not only breed physical athletes, but to also breed a desire to win and I think this strategy gives you the best shot at getting a well-rounded, hungry runner. As the old adage goes in Thoroughbred breeding, 'Breed the best to the best and hope for the best!'"

Back in Pennsylvania, Sweet Saturday arrived at her new home in Chester Springs, a farm that the Fabrizianis had purchased in June 2021. They are excited to foal their first PA-Bred this spring, especially after meeting "PA legend" Glenn Brok at the November Sale, who told them about the bright future of Pennsylvania racing.

"The reason we got into horse racing is because of the PA-Bred program," Jon noted. "It represents everything that Colleen and I stand for; keeping Pennsylvania's open spaces and horse farms going. This program gives PA breeders a chance to be rewarded for all the hard work and money that goes into breeding Thoroughbreds. There is no other state that rewards their breeders like Pennsylvania."

Of course, with the purchase of a farm comes the job of deciding on a perfect name. After much thought, the Fabrizianis landed on Fiddler's Green. Jon told the story and it comes across like a fairytale.

"The name stems back to Colleen's family in Ireland. Her grandfather's farm in Port Loaise, Ireland, was named Fiddler's Green. The name comes from an old Irish song by the same name. In the song, during the potato famine, farmers had to become fishermen to make a living. They dreamt of being buried on Fiddler's Green, which represents a utopia, an afterlife, a dreamland.

"When he immigrated here in the 1950s and met Colleen's grandmother (also an Irish immigrant) they settled in Massachusetts...and bought a small cottage in Cape Cod which

they named Fiddler's Green, their own utopia.

"When we found our farm and were considering names, we couldn't help but see the similarities between our utopia in Chester Springs and those of our grandparents before us. With me being a violin player, along with the vast greenery of pasture, the name fit both literally and metaphorically. In our living room hangs a painting of the original Fiddler's Green painted by Colleen's grandfather. It reminds us of the hard work and sacrifice that went into our own Fiddler's Green and we are grateful for it every day." ■

Winning Time lives up to his name for Pewter Stable

by Danielle Gibson

Pennsylvania-Bred juvenile Winning Time has certainly lived up to his name, giving his owner and breeder Pewter Stable much to celebrate. Pennsylvania horse racing has only recently heard of this handsome, stout chestnut colt - however his story started in 2015. That was the year Pewter Stable first stood their stallion Winchill, sire of Winning Time.

Stakes-winning PA-bred Winchill is by Tapit, a household name in the Thoroughbred breeding industry. North America's most influential sire, Tapit boasts 30 Grade 1 winners and lifetime progeny earnings higher than any other stallion in the country. He obviously passed down something special to Winning Time.

Winning Time is out of Merry's Pegasus, a daughter of classic winner Fusaichi Pegasus. Her first foal when bred to Winchill his first year at stud is PA-Bred gelding Word On a Wing, a six-time winner and earner of more than \$200,000. Pewter Stable wanted to support their stallion and try that sire-dam combination again.

Winning Time comes from Winchill's first crop conceived at Timber Ridge Farm in Felton. Trainer Kate DeMasi said: "It's been a total team effort and every breeder's dream - having a healthy foal, getting them to the races, breaking their maiden, then winning a stakes futurity as a 2-year-old."

The stars aligned for Winning Time and has given the moderate-sized Pewter Stable everything they dreamed of as a breeder.

He came to Parx Racing in September after breezing with other 2-year-olds at Monmouth Park during the summer. He was a small package and wasn't overly impressive physically but, come his maiden debut at Parx on Nov. 7, something

changed. When walked over from Barn 18, it was clear he really blossomed physically and had that look of focus in his eye. He was balanced, muscled, and looked exceptional walking around the paddock. When the starting gate opened, he quickly took control and kept extending his stride, widening his margin to win a \$50,000 Maiden Special Weight for Pa-Bred 2-year-olds by an impressive 11 lengths. He recorded an Equibase speed figure of 91 for the 6 furlongs.

Kate DeMasi said, "Typically Winchill's foals take on the physical size of the dam, and that seems to be the case with Winning Time. He is very balanced and athletic. He will continue to grow and mature. He got the professionalism and intelligence from his sire. Winchill always had his game face on, never running his race in the paddock. A horse with a huge personality who loved his job."

Winning Time's next start came just three weeks later in the \$200,000 Pennsylvania Nursery, also at Parx. The race holds a lot of history, with the great Smarty Jones winning it in 2003. It was a step up for Winning Time but he proved he belonged in the impressive field of 11 PA-Bred juveniles. The race had an exceptionally competitive group that included several unbeaten horses and stakes winners, and Winning Time came home to the roar of the crowd. He had the whole track apron on its feet cheering him as he crossed the wire first under Pewter Stable's white and silver colors. It was a moment to remember for trainer Kate DeMasi, who reflected on how she trained the whole family. The same groom has been with her for the ride. Sean Fittapaldi groomed Winchill, Merry's Pegasus, Word On a Wing, many half siblings, and now Winning Time. Many of the ownership group that started with Merry's Pegasus while she was racing stayed in for her breeding and have been a part of the journey.

Winning Time was undefeated in two starts at 2, earning \$162,000. Pewter Stable will also receive additional breeders' bonuses and stallion awards. This was the second stakes winner for Winchill, but his first 2-year-old.

Kate DeMasi credits the Pennsylvania breeding program incentives for making it so appealing to have their breeding and training business here in Pennsylvania. Winning Time has a year-younger full sister. Maybe history will repeat, but with a filly this time. ■

PA-BRED STAKES RECAPS

ROBERT T. MANFUSO S, LRL, \$100,000, 3YO/UP, 1 1/16M, 12-30.

Won - NIMITZ CLASS

c, 3, Munnings - Five Diamonds, by Flatter.
O-Tom Coulter, B-Arrowwood Farm (PA), T-Bruce M.
Kravets, J-Jevian Toledo, \$60,000.

The only 3-year-old in the field of seven, and seeking his first win outside Penn National, Nimitz Class came through for owner/breeder Tom Coulter's Arrowwood Farm in Laurel Park's \$100,000 Robert T. Manfuso Stakes, winning by a half length on Dec. 30.

In his first attempt at the mile and a sixteenth distance, Nimitz Class raced midpack early, made a move leaving the far turn and dug in late to catch Ain't Da Beer Cold, who turned back even-money favorite Ournationonparade through the stretch but couldn't resist the assault of Nimitz Class. Final time was 1:45.69 off slow early fractions.

It was the second stakes win of the year for Nimitz Class, after capturing the Danzig for 3-year-olds at Penn in his stakes debut in June. That was the third straight win for the son of Munnings trained by Bruce Kravets. The colt made 11 starts in 2022, winning six, and was second in Laurel's Concern Stakes in July. In 12 career starts, he has earned \$234,480.

Nimitz Class is a full-brother to multiple stakes winner Kaylasaurus, who was third or better in five of six starts in

2022, won Laurel's Primonetta Stakes last April, was second in the What A Summer and Alma North Stakes, third in the Susquehanna Valley Stakes and fourth once, in the Grade 3 Barbara Fritchie Stakes. An earner of \$350,683 from 25 starts, Kaylasaurus sold as a racing or broodmare prospect at the 2022 Keeneland November sale for \$270,000.

Coulter purchased their dam Five Diamonds, a stakes-winning daughter of Flatter, at the 2011 Keeneland Breeding Stock sale for \$52,000 as a maiden mare. Of her six foals of racing age, four are winners.

Five Diamonds has an unraced just-turned 3-year-old colt named Totonaco (by Free Drop Billy), and delivered a colt by Lookin At Lucky last March. She was bred back to Mendelssohn for this year. ■
