PENNSYLVANIA

An Elite Breeding Program

Welcome to the thirteenth annual edition of the Pennsylvania Stallion Directory. This PA Stallion Directory provides statistics, photos and background on stallions standing in the state. Examine race records... find the sire lines that work best for a particular mare...evaluate a stallion's top runners to find a common denominator. This Directory also lists Pennsylvania farms that offer boarding and foaling services. It's an invaluable source for getting the breeding season off to a successful start!

Pennsylvania has always been at the forefront of lucrative breeding programs in the nation, rewarding those who breed, raise and/or race in the state. With the influx of slots revenue since 2006, money distributed through the Pennsylvania Breeding Fund has more than quadrupled! The Pennsylvania Breeding Fund has paid out over \$27.5 million on average each of the last 13 years - far and away the richest of any programs in the Mid-Atlantic Region. That's consistency year in, year out.

There is plenty of opportunity to earn, with an average of 350+ restricted races offered for state-breds over the past ten years. PA-breds can race at three different tracks offering 340 days of racing.

Breeders receive awards of 40 percent of the purse earned on all Pennsylvania races through third place if the PA-Bred runner is sired by a registered Pennsylvania stallion. A breeder of a non-state sired runner will receive 20 percent for all races through third place in Pennsylvania. The potential is there to earn money even when the horse is no longer owned by the breeder, as long as the runner races in the state.

Owners also reap rewards, up to 40 percent, in all non-restricted races, paid through third place. In 2025, the total for Owner Bonuses will amount to over \$5.2 million paid out on top of the purse! Stallion owners also benefit with 10 percent of the purse share earned for their stallion's registered PA-Bred, PA-Sired runners in the state. Total fund payments can exceed six figures a year for Pennsylvania stallion owners and breeders.

We would like to thank the PTHA and HBPA at Parx, Penn National and Presque Isle for their dedication and support in making the Breeding Program in Pennsylvania the most lucrative in the country.

Domicile Requirements

Mares bred can meet the Pennsylvania Domicile Requirement in the following ways:

- The dam of the foal resided continuously in Pennsylvania since DECEMBER 1 of the year of conception through foaling. Mares not being bred back will also fall under this category; or
- The dam of the foal was purchased at a public sale after DECEMBER 1 of the year of conception and brought into Pennsylvania within 14 days of the date of purchase (within 60 days if purchased outside of the U.S.) and remained continuously through foaling. During the year of foaling, the foal or its dam spent at least ninety (90) days in the state; or
- The dam of the foal arrived after DECEMBER 1 of the year of conception, foaled in Pennsylvania and was bred back to a registered PA stallion standing in Pennsylvania and the dam of the foal resided SIXTY (60) consecutive days during the year which foaling occurred.
- The 2026 broodmare domicile report is required for all mares foaling out in PA in 2026. To access the form, please visit our website (pabred.com) and click on the “forms” tab. The form can be accessed under Broodmare Domicile Report 2026. The form helps PHBA determine the registration eligibility for the resulting foal. Domicile reports must be completed by December 1st, 2025. Please note, broodmare domicile reports are required to register the resulting foal with PHBA. If form is not completed, your foal may be denied registration (additional documentation will be required).

Questions & Answers regarding the Pennsylvania Breeding Fund

Keeping it all together!

PHBA is responsible for all aspects of the administration, promotion and development of the Pennsylvania Breeding Fund, and maintenance of the official registry of PA-Bred race horses and Pennsylvania stallions. A not-for-profit organization, the PHBA represents and serves the dues-paying members in every aspect of Pennsylvania's Thoroughbred breeding industry.

Breeding has its privileges

PA-Breds have preferred starter status in all overnight races at Parx, Penn National and Presque Isle, with the exception of certain races whereby specific conditions outline additional preferences, such as certain turf races and starter handicaps. In these races, PA-Bred preference is general to the sub-groups of entrants. Lucrative stakes races restricted to PA-Breds are regularly offered throughout the year at Parx, Penn National and Presque Isle. Additional stakes races will be offered to PA-Sired, PA-Breds.

Questions and answers regarding the fund

Here are some frequently asked questions regarding Pennsylvania's Breeding Fund Program. For additional information, contact the Pennsylvania Horse Breeders Association.

Q

How does a horse become eligible to participate in this program?

A

A Thoroughbred foal born in the State of Pennsylvania and registered as such with the Jockey Club is eligible for Pennsylvania-Bred registration with the PHBA if one of the following conditions is met:

For foals of 2018 and thereafter, the dam of the foal resided continuously in Pennsylvania since December 1 of the year of conception through foaling; or

The dam of the foal was purchased at a public sale after December 1 of the year of conception, then brought into Pennsylvania within 14 days of the date of purchase (within 60 days if purchased outside of the U.S.), and remained continuously through foaling. During the year of foaling, the foal or its dam spent at least ninety (90) days in the state; or

The dam of the foal arrived after DECEMBER 1 of the year of conception, foaled in Pennsylvania and was bred back to a registered PA stallion standing in Pennsylvania and the dam of the foal resided SIXTY (60) consecutive days during the year which foaling occurred.

Q

Does the location of the sire affect a horse's status as a registered PA-Bred?

A

Unlike some states, Pennsylvania has no 'breed-back' requirement or similar rule relating to a covering stallion. However, PA-Breds sired by registered Pennsylvania stallions earn significantly larger awards for their breeders.

Q

What is the procedure for registering a PA-Bred?

A

Reference www.pabred.com for forms or contact the PHBA. Return the fully completed form, along with the required W-9 form and correct fee to the PHBA. That's all there is to it! The registration will remain in effect for the rest of the horse's life.

Q

How much does PA-Bred registration cost?

A

PHBA members pay \$100 for applications postmarked within 365 days of the foaling date; \$200 for applications postmarked by December 31 of the yearling year. Fees for non-PHBA members are \$300 and \$400 respectively. Registration applications beyond December 31 of the yearling year are considered Late Applications for Registration. Please note there is a late, nonrefundable \$500 registration fee and must be registered before entry.

Q

How are the breeder awards calculated?

A

The breeder of a registered PA-Bred receives an award whenever that PA-Bred finishes first, second or third in any pari-mutuel race in the state. For PA-Breds sired by registered Pennsylvania stallions, the award (PA-Sired breeder award) amount to 40 percent of the purse earned. For those sired by out-of-state stallions, the award (non-PA-sired breeder award) is 20 percent.

Q

What about the owner bonus program?

A

The Pennsylvania-Bred owner bonus program rewards the owners of PA-Breds finishing first, second or third in designated overnight races at Parx, Penn National and Presque Isle. Bonuses are a designated percentage of purse shares and are considered part of a horse's official earnings. Bonuses are deposited directly into owners' accounts when purses are released. The sum of the bonus and the original purse share provides the basis for breeder and stallion awards earned.

Q

Do Pennsylvania-based stallions earn awards also?

A

Yes! When a registered PA-Bred, by a registered Pennsylvania stallion, finishes first, second or third in any pari-mutual race in the state, an amount equal to 10 percent of the purse earned (stallion award is paid to the stallion owner or assigned designee).

Q

What is the definition of a 'registered Pennsylvania stallion'?

A

A Pennsylvania Sire is a Thoroughbred stallion registered with the PHBA that either stands the entire breeding season in Pennsylvania (February through June) or has been purchased, brought into and remains in Pennsylvania for the remainder of the current breeding season.

Q

How does one register a Pennsylvania stallion?

A

PHBA provides applications which should be completed by the stallion's owner and returned to the PHBA along with the \$500 registration fee by February 15 of the breeding season, or \$1,000 if postmarked after February 15th of the current breeding season until December 31st.

Q

Is the stallion then registered for life, or must this process be repeated annually?

A

Unless major changes occur, registration takes effect at the beginning of the breeding season of the year in which the stallion was registered and remains valid for life. Re-registration is necessary only if:

1. The stallion leaves Pennsylvania to stand in another state, excluding the Southern Hemisphere, and subsequently returns, or
2. More than 50 percent of his ownership changes.

Q

If a stallion is relocated from Pennsylvania to stand elsewhere, are awards still paid?

A

Yes – A stallion owner or designee will be paid awards earned by any registered PA-Breds conceived during the stallion's effective term of registration.

Q

How and when are awards paid?

A

Breeder and stallion awards are processed monthly by the PHBA. Recipients are notified of their pending award, usually within 30 days after the end of the month in which it was earned; payment should be received within another 60 days. PA-Bred owner bonuses are paid at the time of purse release and are deposited directly into owners' accounts at the particular track.

Q

When ownership of a PA-Bred or a Pennsylvania sire changes, who receives the awards?

A

The breeder of record remains the same no matter who subsequently owns the horse; thus, the breeder continues to receive any applicable breeder awards. PA-Bred owner bonuses are paid to the horse's licensed owner at the time the bonus was earned. A stallion owner receives awards earned by eligible PA-Breds conceived during his tenure as owner and continues to do so if the stallion is sold, even if the stallion is no longer at stud in Pennsylvania.

Q

Can out-of-state residents participate in the Pennsylvania breeding program?

A

Yes – There are no residency requirements for owners and/or breeders.
