LETTER FROM THE EXECUTIVE SECRETARY

Fantastic news for 2024! The PA-Sired PA-Bred Stallion Series is being expanded to include 3yos. You should have received a letter in the mail. If you were nominated for the 2023 2yo series, you're automatically eligible as a 3yo. If you did not nominate as a 2yo, the fee will be \$100 if paid before April 30, 2024 for the 3yo race. For foals of 2022, the fee will include races for 2 and 3yos. Please refer to your letter as the earlier you nominate, the cheaper the fee.

Congrats go out to the Mr. and Mrs. Chuck Robert Russo-bred Veeson. The son of Il Villano moved from seventh to first in the stretch to win the \$100,000 Jump Start Stakes at 21 to 1. Wow! Congrats to all the connections.

The last leg of the 2yo PA-Sired PA-Bred Stallion Series will be run at PARX on December 27 at 1 mile and 70 yards with purses of \$200,000. Nominations for the December races for 2yos, if not already nominated, are \$5,000 through the PHBA office. You can go to pabred.com under 'Horses Nominated' to see if your horse is on the list. If not, go to 'Forms' and print the nomination form. Don't miss out on the fun. Please remember that if your horse is already nominated, you still MUST CALL the PARX racing office to enter your nomination.

By now you should be familiar with the online registration system on our website. We will be transitioning to that in 2024. If you are still using a paper registration, please make sure you forward a signed copy of the Code of Ethics, which is attached to the registration form.

Broodmare domicile forms are online for the 2024 foaling season. These domicile reports are MANDATORY and if not completed, your foal could be denied PA-Bred registration. As usual, please contact our office with any questions you may have. Pennsylvania is the only place to Breed & Race! Have a great finish to 2024! Go PA!!

CAPTAIN COURTNEY PROVES SHE'S UP TO THE TASK

BY NIKKI SHERMAN

It all started with a love for PA-Bred stallion Army Mule. Paget Bennett is the Fasig-Tipton Midlantic Sales Director and absolutely loved the colt from the moment she saw him at their 2015 Eastern Fall Yearling Sale in Timonium. She knew that she wanted to buy a mare in foal to Army Mule even before his first crop hit the ground. Bennett and her husband Wesley Bennett keep their mares at their own little farm in Nottingham, Pa.

"Wesley and I met through horses of course!" Paget said. "His family had racehorses and he was a huntsman for a foxhunting group in Chester Springs. We do everything ourselves, foaling all of our own mares and raising the babies. We have some homebreds that we run ourselves. He is always listed as the breeder while I am the owner, but we are a Mr. and Mrs. Team."

Continuing on with the Army Mule story, the Friesian Fire colt was bred in the Keystone State by Hope Hill Farm and sold for \$35,000 to Scanlan Training & Sales that fall of 2015. He was developed over the winter and then pinhooked at the Fasig-Tipton Midlantic May Two-Year-Olds in Training Sale. She was floored by the handsome bay and thrilled when he sold for \$825,000 to St. Elias Stable.

Army Mule went on to become a Grade 1 winner and was undefeated in three career starts while trouncing all competition by a combined 22 lengths, his final start the Grade 1 Carter Handicap.

Paget admitted, "I wanted to have an Army Mule after selling him twice, so we went down to [the Fasig-Tipton] February Sale in

WINNER AT PRESQUE ISLE

Lexington. We looked at all the mares in foal to him and then narrowed it down to a few. Mareana was just a very sweet, kind mare. We followed her to the ring and were lucky enough to get her and bring her home to foal."

The \$2,500 purchase, a 14-year-old winning daughter of Northern Fleet, foaled her Army Mule filly on April 19, 2020, which was her exact due date. Her young filly was nicknamed "Punky" since she was so punctual. Sadly, Mareana colicked a few days later and did not make it. The Bennetts called the wonderful organization, Nurse Mares of the Northeast, and they had a nurse mare waiting at the farm for "Punky" the very same day.

As the filly grew, it became clear that she was special and deserved an extraordinary name. Paget decided to call one of her brothers and ask permission to name the filly after his daughter Courtney, who is a decorated United States Army veteran. Paget thought that there was nobody better to name a daughter of Army Mule after.

Courtney was in the Army ROTC while at North Carolina State. During that time she became the first female to achieve the rank of Battalion Commander. After moving on to Fort Bragg she was with the 37th Combat Engineer Brigade and the 82nd Airborne Jump Master. Courtney's career took another phenomenal turn when she served in Mosul, Iraq, from 2003-04. During that deployment, she was awarded the Bronze Star. By the time "Punky" was ready for her own career to begin, she was respectfully given the name Captain Courtney. She had a lot to live up to. Paget contacted Cary Frommer in Aiken, S.C., about preparing the filly for the Fasig-Tipton Midlantic Two-Year-Olds in Training Sale.

"Cary loves Army Mule and actually tried to buy him as a yearling, so of course it was a yes," Paget said. "Cary had never really breezed her before the sale as she lets them do their own thing, but has them ready to rumble at the sale itself.

"Captain Courtney was all business at the sale and dead fit. She wasn't the little filly who we coddled and gave treats to. She had moved on to do what she was raised to be and didn't need to be my little pet anymore."

Mid-Atlantic trainer Michael Trombetta purchased Captain Courtney on behalf of Susan and Arnold Davidov, the latter of whom is 87 years old. Because of this, they have not been able to see her race in person yet, but Paget loves keeping in touch with them.

"The owners call as soon as she wins," she said. "We're their first phone call and they are just tickled to death. I was so happy that when they heard the story about her name, they decided to keep it. I visit her at Fair Hill Training Center and send them videos and photos. Captain Courtney loves Mrs. Pasture's Cookies so we call them Cookies for Courtney."

In regard to the 2-year-old filly's racing career, it has been spectacular. She has a record of three wins and a third from four starts, highlighted by a resounding 6¼-length victory in the \$100,000 Malvern Rose Stakes at Presque Isle Downs in July.

To cap it off, all four of her races have been in Pennsylvania. She broke her maiden in her second start, and first race on turf, by 8 lengths and then crushed her competition by 10¾ lengths in an allowance on Presque Isle's all-weather surface. Her career debut, a third-place finish at Parx Racing on May 6, was a solid learning experience where she was gaining ground in a sprint on the dirt, so it appears that she can handle whatever surface she is given.

"We were fortunate that they ran Captain Courtney in Pennsylvania," Paget noted. "Originally she was scheduled to run at Laurel but they canceled racing that day. The Pennsylvania breeding program is good and people love it. We're small potatoes who just got lucky with a homebred who broke her maiden at Parx. Her owners could go anywhere but I told them they're stuck with me because I'm president of her fan club!"

Captain Courtney has been turned out at a local farm and will remain there until next spring. According to Paget, they think their filly is something truly special so they wanted to give her a break and have her ready for the new year.

"Captain Courtney the horse is going to have a bit of a group traveling with her next year," Paget said with a laugh. "I have four brothers and every one has two children. Courtney is the only girl out of the eight kids."

Paget paused before adding, "Captain Courtney has absolutely proved up to the task and is as special as my niece." ■

ROSES FOR DEBRA

ROSES FOR DEBRA
SMART N FANCY STAKES
WINNER AT SARATOGA

What are the odds that two of the country's most brilliant turf sprinters in 2023 would be PA-Bred gray fillies? The older and, to date, most successful is 6-year-old Caravel, who at nearly 50-1 stunned the world with a jaw-dropping half-length victory in the 2022 Breeders' Cup Turf Sprint-G1 at Keeneland. She has continued besting the boys this year, accounting for another Grade 1 win in Belmont's Jaipur Stakes, and looks to defend her Breeders' Cup title. But quickly rising to the top of the ranks is the slightly darker gray 4-year-old filly Roses for Debra, who has seven wins from 10 career starts, and is just

beginning her career against the boys.

Blackstone Farm LLC foaled Roses for Debra on Feb. 23, 2019, at their farm in Penn Grove, Pa., after mating her dam Essential Rose to hot young sire Liam's Map. They acquired Essential Rose at the 2015 Keeneland November Sale for \$32,000 and have had great success with the daughter of Bernardini.

Essential Rose's 2020 filly by Triple Crown winner Justify sold for \$625,000 at the Fasig-Tipton New York Select Saratoga Yearling Sale to MyRacehorse,

a program that allows fans and horse-men alike to purchase "microshares" in their horses. Named Rosie's Alibi, she broke her maiden in style by 5¼ lengths in a \$100,000 maiden special weight at Parx Racing on Pennsylvania Derby Day 2022 – the winner's circle was so packed that owners extended out onto the track itself on both sides. The best part of Rosie's Alibi's win was that being a PA-Bred meant added bonuses for the owners in addition to the standard breeder bonus for Blackstone Farm. The filly concluded her year with a third in Aqueduct's Tempted Stakes last November.

ROSES FOR DEBRA

CONTINUED

Essential Rose also has a 2-year-old Palace Malice filly named Modarosa who is in active training and a yearling filly named Park of Roses, by American Pharoah. Christian Black and Douglas Black (no relation) are the owners and operators of Blackstone Farm, which they officially opened in 2010. Doug handles the finances and administrative duties, while Christian runs the breeding and day-to-day activities on the farm. They are unique in that Blackstone Farm is just a breeding operation; they breed specifically to sell, so the mares are bred to the most commercial stallions in the country. One just has to look at the breeding history of Essential Rose to see that point.

However, the farm does stand several stallions and a number of their mares are bred to them in order to give prospective Mid-Atlantic buyers the opportunity to race in the new PA-Bred, PA-Sired restricted stakes races. Peace and Justice and Eastwood are currently advertised there, but more stallions may be headed their way in the near future. Christian Black loves the lucrative Pennsylvania bonuses, which is why all of their mares foal at home.

Of course it is still exciting to watch horses they've bred go on to compete in the biggest races in the world, including the Kentucky Derby, which has seen Blackstone-foaled Tom's Ready and Angel of Empire in the Derby field.

Blackstone Farm may now have a 2023 Breeders' Cup participant in Roses for Debra. They originally sold her as a short yearling for \$120,000 at the 2020 Keeneland January sale; when she resold that September at Keeneland, current owner John O'Meara paid \$25,000.

"I saw her early in the ring and thought

she was a good-looking filly," remembered O'Meara. "She was a half to a stakes winner already [2015 filly Rose's Vision] and I was happy to get her for what I did. It only happened because they were dispersing Gerry Dilger's horses for the estate."

He decided to name the filly after his girlfriend Debra and he thought that with her dam's name being Essential Rose, it would be a perfect name.

The filly was sent to trainer Michelle Brafford and she performed well right from the start. Unraced at 2, she came out at 3 and would have been undefeated in her first four races except for a disqualification due to interference in her career debut (she was placed from first to second). In the final start her first season, she was fourth on Keeneland's dirt track. The race was just an experiment, as she had only ever competed on Presque Isle Downs's synthetic Tapeta surface. In between her losses, Roses for Debra won by a combined 12¼ lengths, including her stakes debut in the \$100,000 Malvern Rose Stakes that July.

Roses for Debra was given the winter off, with the goal of returning in the spring to compete on the turf. With that in mind, O'Meara decided to send her to the great grass trainer Christophe Clement. It turns out that O'Meara was right – Roses for Debra can certainly run on the turf. She debuted in 2023 at Pimlico Race Course on Black-Eyed Susan Day (May 19) and dominated a 5-furlong turf allowance as the second choice, then captured another allowance at Belmont Park on July 3 as the even-money favorite. It was clearly time to step her up in class, which ended up being at Saratoga in the \$200,000 Grade 3 Caress Stakes. The favorite in the field of five, she was brilliant yet again, pressing the leader early and then drawing off to an easy 2¼-length score. It gave O'Meara his very first graded stakes victory.

After that race, a partner would buy into

ownership of Roses for Debra. Everett Dobson of Cheyenne Stables had been admiring the filly from afar, especially while watching her train in the morning. O'Meara had received several offers for the filly but he still wanted to retain ownership and keep her in Clement's barn. His longtime friend Matt Lyons, senior vice-president and chief operating officer for Cheyenne Stables, helped facilitate the deal.

About partnering with Dobson, O'Meara said, "He's a great partner and he's a breeder just like I am. He seemed enthusiastic about the game and it's fun to share experiences with someone else." Roses for Debra immediately gave the new partnership reason to celebrate when she won again at Saratoga, in the \$150,000 Smart N Fancy Stakes, powering down the stretch to cross the wire 3¼ lengths in front at odds of 2-5. She was next scheduled to start in the \$300,000 Grade 2 Presque Isle Downs Masters Stakes, but a small setback forced the team to regroup. Nearly a week later, Roses for Debra made her first start against the boys, in the \$250,000 Grade 3 Turf Monster Stakes on the Sept. 23 Pennsylvania Derby Day card at Parx. The turf course, soaked from a sudden tropical storm that hit the Mid-Atlantic, may have contributed to Roses for Debra not delivering her usual kick in the stretch, but she did finish third, valiantly holding off several closers in the last strides. Interestingly, the second scheduled turf stakes that day ended up being moved to the dirt course.

What is next for her? Well, it could very well be a matchup with defending champion Caravel in the \$1 million Breeders' Cup Turf Sprint, to be run at 5 furlongs at Santa Anita Park. O'Meara is looking forward to a trip to California.

"My trainer [Christophe Clement] thinks she belongs there," said O'Meara. "She's doing awfully well and she came back great. She's got such a good attitude, is very sound and she tries every time." ■

MARYLAND MILLION TURF SPRINT S

LRL, \$100,000, 3YO/UP, 5 1/2FT, 10-14.

WON - WITTY

g, 4, Great Notion–Zeezee Zoomzoom, by Congrats.
O-Elizabeth M. Merryman, B-Elizabeth M. Merryman (PA),
T-Elizabeth M. Merryman, J-Jevian Toledo, \$45,000

Lizzie Merryman has run Witty at Laurel Park five times in his 18-start career and her homebred has shown up every time. Adding in two starts at Pimlico, the son of Great Notion boasts a Maryland record of three wins, all stakes, and four seconds.

At age 4, he finally made his Maryland Million debut when taking on 11 others in the \$100,000 Turf Sprint. Sent off as the overwhelming favorite, he made backers a bit uneasy early when trailing along the rail, with the entire field spread out in front of him. The well-packed field swung around the far turn with the favorite still in last behind a wall of horses, but as they entered the stretch the rail opened up. Rider Jevian Toledo gunned Witty for home and he surged past the frontrunners and drove past the wire a 1 1/4-length winner. His final time for the 5 1/2 furlongs over Laurel's firm turf course was 1:02.64.

It was Witty's second stakes win in a row - both for Maryland-sired runners (Great Notion stands at Northview Stallion Station in Chesapeake City) – following a score in the Ben's Cat at Pimlico in September. He has made five consecutive starts on the turf, all stakes, and hasn't finished worse than second. He missed by a head to Talented Man in the Marshall Jenney Handicap at Parx in August while giving the winner five pounds; was gaining on Alogon in Monmouth's Wolf Hill in July after a slow start; and chased a loose-on-the-lead Fore Harp in the Laurel Dash at Laurel three weeks earlier.

With six wins and seven seconds in his career, Witty now has earnings of \$464,460. He is one of four winners from five starters for his dam Zeezee Zoomzoom (by Congrats). His half-sister Caravel (by Mizzen Mast), winner of the 2022 Breeders' Cup Turf Sprint-G1, pushed her earnings ever closer to \$2 million (\$1,973,327) with a second-place finish in the Grade 2 Franklin Stakes at Keeneland on Oct. 15 in her final prep to defend her Breeders' Cup title.

In early September Keeneland announced that both Caravel and Zeezee Zoomzoom were entered in the Keeneland November Breeding Stock Sale. Zeezee Zoomzoom, now 11, is in foal to Justify. Said Keeneland Vice President of Sales Tony Lacy, "Keeneland is excited to welcome back a star the caliber of Caravel, who turned in some of her most memorable performances here and, as a three-time stakes winner, raced into track history. Both Caravel and her dam, Zeezee Zoomzoom, will attract global attention from owners and breeders."

In regard to Zeezee Zoomzoom, Merryman noted: "She's not a big mare herself, but she throws very big foals that are very correct, lovely, good movers – she's a really good mover. They all get a lot of natural speed from her. Some of them want to go long, and some want to sprint. They're really talented, smart, lovely horses that are well put together. I love the nick to Justify; I think it's just right for her." ■

3RD - CANDY REWARD

f, 2, Warrior's Reward—Unimagineable, by Twirling Candy.
O-Warrior's Reward LLC, B-Warrior's Reward LLC (PA), \$14,300.

With \$100,000 on the line for PA-Bred 2-year-old fillies, a field of 10 turned out for the Finest City Stakes at Presque Isle Downs on Oct. 16.

Greavette took it to the field from the start. Setting every fraction of the 6-furlong contest over the Tapeta surface, she held on to the wire, winning by a head over favorite Dancing Spirit, a stakes-placed runner at Saratoga. Going off at nearly 10-1, Greavette paid \$21.20 for the win. It was the Astern (Aus) filly's third start, and first win. Based in New York with James Bentley Begg, she was off the board in her debut at Belmont Park in July going 6 furlongs on the turf, weakening in the stretch after being close to the lead early.

Racing for Upland Flats Racing, the filly was shipped to Colonial Downs for her second start and closed late to finish second in a 5 1/2-furlong turf test as the favorite. Third time was the charm. And with the win the bay filly boosted her earnings to \$72,540.

The fourth foal bred by Leigh Herzberger's Heart Hill Farms out of the Forestry mare Convertible (a \$5,000 broodmare prospect purchase in January 2017), Greavette sold at public auction three times, the price growing in each. A \$10,000 Keeneland November weanling, she brought \$20,000 at the Fasig-Tipton Kentucky October yearling sale. When shopped at the OBS April 2-year-old sale, James Begg went to \$92,000 to take her home.

All of Convertible's foals are winners, with Greavette being her first stakes performer. Not bred the past two years, the mare was covered by Tonalist this year. ■

PA-BRED STAKES RECAPS

CARLE PLACE S

BAQ, \$125,000, 3YO, 6F, 10-22.

WON - NINETYPRCENTMADDIE

g, 3, Weigelia–Amblin Easy, by Private Interview.
O-LC Racing LLC, B-LC Racing LLC (PA),
T-Robert E. Reid Jr., J-Irad Ortiz Jr., \$68,750.

Ninetyprcentmaddie produced a thrilling stretch run in the \$125,000 Carle Place Stakes for 3-year-olds at the Belmont At The Big A meet on Oct. 22, getting up to win by a neck. Racing for owner/breeder LC Racing LLC and trained by Butch Reid Jr., it was his second stakes win of the year and third of his career.

Thirteen were entered in the Carle Place at 6 furlongs on the turf, but Ninetyprcentmaddie was there for main track only. As luck would have it, the race came off the turf, and the field scratched down to four.

Breaking sharply, Ninetyprcentmaddie appeared to be in over his head when he dropped back as the earlier leaders shot away down the backstretch. The bay son of Weigelia chased about 6 lengths back off fractions of :22.39, :45.75 and :57.91.

Making up ground heading into the turn, Irad Ortiz aimed him down the middle of the track as they raced into the stretch. He was six-wide as the field charged home, and got up in the shadow of the wire for the win.

A stakes winner at 2 when taking the \$100,000 Whistle Pig Stakes at Parx, Ninetyprcentmaddie has raced exclusively in stakes in his nine starts at 3. Appearing once a month (except in July), he accounted for the City of Brotherly Love at Parx in March, and has placings in the Parx Juvenile,

COGLIANESE PHOTO

Federico Tesio, Long Branch and Crowd Pleaser. The only times he's been off the board this year have been in graded company. He came into the Carle Place off a fourth-place finish in the Gallant Bob Stakes-G2 at Parx in September. Reid told the New York media after the race: "I think he's kind of a middle distance horse. He certainly did fine going long, too.

"We had some big plans for him early in the year and they kind of got derailed. He had a little bit of foot issues – he has that one white foot, but lately we've had the blacksmith working on him and he's done a great job. He really came into this race feeling great."

Ninetyprcentmaddie is the second of three foals of racing age for Amblin Easy, a stakes-placed daughter of Private Interview claimed by Reid for LC Racing in October 2014. Her first is \$337,204-earner Ninetypercentbrynn, also by Weigelia and multiple stakes-placed, adding to her total this year when third in the Unique Bella Stakes. Amblin Easy's most recent three foals are by Maximus Mischief, including the 2-year-old filly Victoriousvictoria who has yet to start. ■

(\$12,000 2022 FTMOCT) O-Calypso Stable,
B-Wasabi Ventures Stables LLC and Greenspring
Mares LLC (PA), \$13,750.

Richard Bosshard's homebred Heavy Pour was ready for a jump to stakes competition, even though he had yet to win a race. From one of the final crops of top sire Stormy Atlantic, the flashy 2-year-old chestnut gelding looked like he was on his way to winning his debut at Presque Isle on Oct. 11, flying through fractions of :22.04 and :45.52 and hitting the top of the stretch a length clear after 5 furlongs in :57.70, but he wasn't able to hold off a late challenger and finished second, beaten a length, against open company at 6 furlongs.

Twelve days later Heavy Pour lined up for the \$100,000 Mark McDermott Stakes, a race that also attracted Going Up, winner of the Hickory Tree Stakes at Colonial and third in Woodbine's Victoria Stakes earlier in the summer.

Heavy Pour was the least experienced in the field of six that entered the starting gate, but was professional from the start. The Tim Girten-trainee tracked pacesetter Poker Partner off splits of :22.46, :45.88 and :57.73, angled out around the turn and took aim at the early leader. Pouring it on in the

COADY PHOTO

stretch, Heavy Pour was clear as he crossed the wire 1 1/4 lengths over Going Up, who got up for second.

The \$60,000 winner's share of the purse upped his bankroll to \$67,800 from two starts.

Heavy Pour is out of the winning Theatrical (Ire) mare Charm the Crowd, who was purchased by Bosshard for \$5,500 out of the 2018 Fasig-Tipton Midlantic December sale while in foal to the New York stallion Japan.

After foaling a filly Bosshard named Pandoras Charm who became a winner, Charm the Crowd was bred to Imagining, but didn't produce a foal. By selecting Stormy Atlantic for her next mating, Bosshard produced a very similar, but tighter, pedigree that mirrored that of Imagining. He pulled Northern Dancer in closer through Storm Cat and Nureyev (the sire of Theatrical) as well as Crimson Saint (found twice in Heavy Pour's third generation through Terlingua and Royal Academy).

Charm the Crowd didn't stay long in Bosshard's broodmare band. After foaling a Karakontie (JPN) filly in Virginia in February 2022, the mare was sold at the 2022 Keeneland November Breeding Stock sale for \$5,000 in foal to Independence Hall. ■

JUMP START S

PRX, \$100,000, 3YO/UP, 7F, 10-24.

WON - VEESON

c, 3, Il Villano—Springingintherein, by Spring At Last.
O-Chuck Russo, B-Mr. & Mrs. Chuck Robert Russo (PA),
T-Ernesto Padilla-Preciado, J-Dexter Haddock, \$51,600.

2ND - PRINCE OF RAIN

g, 6, El Padrino—Cimarron Rain, by Indian Charlie.
O-Z and Z Stables, B-Angelo Zalalas (PA), \$17,200.

3RD - ONE MORE SCOOP

g, 4, Uncle Lino—Single Scoop, by Scrimshaw.
O-Shooting Star Stable (Anspach),
B-Michael Anspach (PA), \$8,600.

Chuck Russo found a nice match for his stallion Il Villano when he came upon the mare Springingintherein. A winning daughter of Spring At Last, she was a member of the first book bred to Russo's stakes-winning and multiple graded stakes-placed son of Pollard's Vision. Il Villano retired with earnings of \$573,870 from 18 starts, while winning or placing 12 times, 10 in stakes. He entered stud at Xanthus Farms near Gettysburg in 2015.

Since Il Villano's first crop arrived in 2016, Springingintherein has gone back to the stallion six times, including this year. Her Il Villano foals of racing age number four. The first one, Silver Witch, made it to the races and placed, but didn't win. The mare's 2019 foal, a filly named Aruma, has won four times, including her most recent on Sept. 25 at Parx. She's earned \$109,072.

Veeson is Springingintherein's third foal.

Now 3, Veeson became the first stakes winner for Il Villano when taking the \$100,000 Jump Start on Oct. 24 at Parx in rousing fashion, rallying from near last down the middle of the stretch to catch Prince of Rain in the shadow of the wire and win by a head.

The 7-furlong stakes for PA-Bred and PA-Sired drew a field of 12, with PA-Bred champion Beren going off the 2-1 favorite.

While extremely consistent, Veeson was overlooked at 21-1. He came into the race making his first stakes start since finishing second in last November's Pennsylvania Nursery. In his nine career starts prior the Jump Start, all at Parx, he finished in the top three seven times. It did take him eight tries to break his maiden, but he could be counted on to hit the board, which he also did in his stakes debut in September 2022 in the Prince Lucky Stakes behind Gordian Knot and Keithsendshelloooo.

Trained by Ernesto Padilla-Preciado, Veeson is now on a three-race win streak. After breaking through with his first win on Aug. 21, he rallied to take a non-winners of two allowance on Sept. 18 at the Jump Start's 7-furlong distance. With earnings of \$221,440, Veeson is tops among Il Villano runners.

Next up of Springingintherein's Il Villano foals is 2-year-old Namora, who has been working since August at Parx and is entered to make her first start on Nov. 4 at Delaware Park. Trained by Padilla-Preciado, Namora is owned by Mireya Franco Plasencia. ■

WON - GRATED COCONUT

g, 2, The Factor–Holiday Diva, by Lemon Drop Kid.
(\$15,000 2021 FTMDEC; \$34,000 RNA FTMOC;
\$55,000 2023 OBSAPR) O-Highfield Investment Group Inc.,
B-Brunacini Stables Inc. (PA), T-Craig Robert Smith,
J-Antonio Whitehall, \$21,870.

Of the seven PA-Breds sold at this year's OBS April 2-year-olds in training sale, two are now stakes winners. Six days after Greavette's score at Presque Isle, Grated Coconut got his own stakes win at Century Downs, outside Calgary, in Canada.

Grated Coconut was one of four entered in the \$50,000 Birdcatcher Stakes, but it was supposed to be all about Itsallgoodman, the 1-5 morning-line favorite. Grated Coconut had already faced Itsallgoodman twice and finished well behind on both occasions. Those were

ambitious attempts for the gray gelding, however, as owner David Munro of Highfield Investment Group Inc. and trainer Craig Smith sent Grated Coconut out in stakes competition for the first two starts of his career.

Prospects looked up significantly for Grated Coconut when Itsallgoodman was scratched.

Based on the wagering, the three who entered the gate going 1 1/16 miles on the dirt were evenly matched, although the only winner in the field, Suddenly Famous, went off the 9-10 favorite, with the other two at 2-1. Suddenly Famous set the opening fractions of :23.17 and :48.95, but Grated Coconut pushed him throughout before getting his head in front after three-quarters in 1:14. From there it was a blowout and Grated Coconut drew off through the stretch to win by 12 1/4 lengths while under wraps.

Bred by Richard Brunacini in the name of Brunacini Stables Inc., Grated Coconut, a son of The Factor, is the first foal out of the unraced Lemon Drop Kid mare Holiday Diva, who has a PA-Bred Rowayton yearling filly and delivered a Golden Lad colt in May in Florida.

Holiday Diva was a Keeneland November sale RNA at \$14,000 in 2020 while carrying Grated Coconut. Her son would enter the ring three times – selling for \$15,000 as a weaning at the 2021 Fasig-Tipton Midlantic December sale, returning a \$34,000 RNA out of the Midlantic Fall Yearling sale, and then bringing \$55,000 at the OBS Sale.

After finishing fourth in his first two starts (the Martin Deerline Juvenile and Canadian Juvenile Stakes at Century Mile in August), Grated Coconut contested a maiden special weight in his third start, and first at Century Downs, in October and ran an even third. In recording his first win, he boosted his earnings to \$27,043. ■
